Potentate's Comments

Nobles,

First of all, I would like to say thank you to all for electing me your Potentate for the year 2018. Both Lady Sue and I are looking forward to working with you, your Elected Divan, and their ladies to have a great year! We have much to accomplish this year and your support of your Temple is needed even more.

January 26-28 is our Circus this year which is a new time frame for our major fund raiser for the Temple. It could very well prove to be a blessing since we will not be fighting spring break and other distractions. We have been assured of a better show with the addition of a couple of the old Ringling Bros Circus acts! Please remember that the purchase of your tickets helps support your Za-Ga-Zig Temple and allows us to be financially sound. Remember to get your circus tickets taken care of prior to the circus if possible. This helps us help you!

As most of you already know, we are supporting the Imperial Potentate's membership program R U Committed. Our goal for 2018 is to bring in 93 new Shriners to help hold off a shrinking membership. We must achieve this goal by June 30, 2018, since the Imperial Shrine works off a fiscal year as opposed to a calendar year! There will be incentives built into the Imperial membership program that our Nobility can take advantage of. We will be working with our Masonic counterparts in the Grand Lodge, Blue Lodges, Scottish Rite, and York Rite to accomplish this goal. We will be able to offer a variety of ways for a brother Mason to become a Shriner. We are looking into getting a one-day Masonic Class done for those good men that might have difficulty in allowing enough time for the usual process.

2018 promises to be an exciting year for Za-Ga-Zig Shrine, and with your help and support, your Divan will be able to keep your Temple strong. There are many great opportunities for you, your friends and family to take advantage of this year, and once again, your support is key to each event's success. There will be concerts, dances, a Strong Man Competition/Highland Games, an Arm Wrestling Competition, and even a Murder Mystery Dinner to take advantage of!

The key to recruiting and maintaining membership is finding out what the Nobility, as well as the public would like to see in events and opportunities to attend. I would encourage any Noble to feel free to give any Elected Divan officer any ideas in writing for consideration.

Fraternally yours,
E. Jay Coon, Potentate

Power of a Parade

Craig Matzke 2018 Assistant Rabban

It wasn't until I was honored by being elected to the Divan, did I learn the importance of a PARADE. For being a member of the Clown Unit and Public Relations Unit for 15 years, I never truly understood the impact that parading had for communities, kids, Our KIDS and Families and for Za Ga Zig. Not only the Ladies and Nobles that paraded but, for those Nobles and Ladies that sit on the curbside and enjoy the festivities.

I will start at the beginning of the Parade. As we gather up, there is so much fun and fellowship, gentle ribbing and comradery, I said to myself, this is fun! Then as we meet the other entrants of the parade, the genuine appreciation of the organizers, hosts, elected officials and Nobles and Ladies that live in the community it was amazing. Not only are they appreciative of what we can bring to a parade, they show their heartfelt appreciation for the Shriner's Hospitals for Children. The show of thanks and appreciation of what we are able to do is evidence that we are doing something right! When you hear, "we love you, thank you for what you do!" "You're amazing, thank you!" It's quite humbling and hard to believe that we get this kind of reception.

It is this type of grassroots effort that will continue to grow our Masonic Fraternity and Shrine. We are no longer the best kept secret anymore. Imperial has invested millions in branding opportunities to build awareness of the Shriner's Hospitals for Children. Our Patient Ambassadors have endeared themselves to America to make them instantly recognizable. Parading is very real way of being part of so many communities, and seeing the faces of those who wear the red FEZ and support the Shriner's Hospital for Children and so many other activities in their communities.

As with any other organization we are losing participation we have had parade units sell off their parade vehicles and have moved onto other facets of supporting the Fraternity. However, we have new units popping up and old units re-energizing their group and hitting the parade trail. Parades are still American traditions that everyone looks forward to, to celebrate what is good in our communities. Za Ga Zig Shriners are still a part of that and we play an important role. It was amazing in Boone this year the shouts from the crowd as to where the go carts were. They want to see want to see the motorized units.

As this comes out in the cold of winter, now is the time for new and experienced Nobles to explore joining a Parade Unit. We have the Mini Bikes, Trikes, Ambassadors, Drifters, Clowns, Antique Tractors, Diplomats, Hillbilly Clan 112, Isettas, Pacers, Oriental Band, Sand Runners, Zag Trax, Calliope, Hot Rods and Classy Chassis and Chrome Nobles. Each and every one of these Units will welcome you! The crowds will cheer for you!

Be part of bringing Za Ga Zig to the Streets of Iowa.

NOBELLE NEWS . . .
By Suzanne Woodyard

We had 16 beautiful ladies attend our December 7 luncheon at the Urbandale golf and country club. Even though we didn't get the Tiramisu for dessert like Shirley tried, we still had a wonderful meal. After trying unsuccessfully to elect new officers, the current officers were nominated and they agreed to serve another year.

A collection of \$65 was raised to be donated to the Shriners Children's Hospitals in memory of Phyllis Ryan.

A condolence card was signed by all and sent to Connie McMahon for the loss of her husband Paul on 12/1/17.

We are going to reach out to recent widow's of Shriners again to see if they would like to join the Nobelles.

The Nobelles will not meet in January due to possible bad weather. Our next luncheon will be February 1 at 12:30 PM at the Red Lobster Restaurant in West Des Moines.

AMBASSADOR UNIT NEWS -
January 2018 Secretary: Steve Fedler PP

Was a FAST year. When you are active, and get involved, it seems each year gets a little shorter or is it that we have so much Fun, that we forget where the days and months went. Parades for 2017 finished and our Limos will be covered for the winter and taking a little rest. But we are still going strong and attending as many functions and meetings as possible. We are really impressed this past couple month with the addition of 5 new members. YES, FIVE , now that tells all of us that we are growing and it is great to see some young blood coming up to relieve some of us relics.

Welcome: ILL Sir Rick Corbin, Noble John Roach, Noble Scott Jordon, Noble Kelly Hoffman, and Noble Alan Gillaspay as our newest members.

Three of these Nobles joined as we were at the Holiday parade in Chariton. They could see we were there to have fun. Too bad they never joined the ride home to see how well Rod "Speedy" Spratt talked himself out of a ticket on the way home ! YEP, we provide a DD also.

Our leadership vote is in, and 2018 officers are Jason McVay- President, Ryan Phillips- VP, Steve Fedler, P.P.- Secretary and Dan Willson, P.P. - Treasurer.

We are always open for any Noble to stop at our meeting on the 3rd Thursday of each month and ask what we are about, what we do, and how much FUN we offer. Looking forward to the Holiday season and a FUN 2018.

Ladies Auxiliary Fall Bazaar & Craft Show

The 2017 Ladies Auxiliary Fall Bazaar & Craft Show is in the books. If you were unable to attend or missed this show on Saturday November 11th, you missed one heck of a good show.

Many have said, and I have to agree that this By Far was our best attended, and best selection of Crafters/Vendors that we have ever had. To hear the visitors say that the parking lot was full was a great feeling. There was a constant flow of shoppers up to 1:00.

The past 2 years as Chairing or Organizing this show has been an honor. There are many hours behind the Craft Show that takes place.

It is like the Potentate Ball Committee, you

are working on this event the entire year. Seeking out Crafters that you feel others will like as much as you do.

Again the fall show brought in over 1300.00 in table rental fees alone. And over 40 crafters & vendors. I tried to squeeze as many as I could into the show, just when I wanted to say No we are full their crafts were great and I let them in, and that is why this show was as good as it was.

I have to thank my Crafters & Vendors for sharing this event on Facebook. I also have to Thank all the Shriner's and their Ladies's for constantly talking about, and sharing this event on their Facebooks and with their friends.

As much as we hate to admit it, social media is our way of life now.

I have decided to step down from organizing the Spring & Fall show due to numerous reasons. When something you love so much is not fun anymore then it is time to make a change. Dad & I will continue to do our crafting , we would just like to broaden into some new shows. So to go out on a High

Note, knowing this show was fantastic is the best way to part ways.

I would like to Thank the Ladies Auxiliary for your continued support and compliments following the shows. The Shows will still go on, at this time I do not know who will be taking over but you can contact Cathy DesPlanque or Carlene Freeman if you have any questions.

I also need to send a HUGE Thank you to Danny Willson for being my Lonnie), for always being there with me setting up, tearing down, and being so patient with me every time I changed my mind. To Mike Des Planque, Guy Freeman and the others that have stacked chairs/took down table/unloaded vehicles/swept floors to put our Shrine Temple back the way it started before the show. Without you guys I could not have done it.

Happy Holidays and to a New 2018

Jamie Joyce, founder of Southwest Iowa Sports Foundation is presenting a \$1,000.00 check to Shrine Hospitals for Children. Dale Gross of the Nishna Valley Shrine club is accepting the check on behalf of the Shrine Hospitals. The funds are a result of a "Heads-up-Racing" event held at the Atlantic Municipal Airport on September 16.

Jamie says, "The idea started when I was at the Atlantic fest car show in 2016. I thought it would be fun to be able to see the cars in action rather than just looking at them parked on the curb. It started out with the intention of having about 30 cars and a couple hundred spectators. Just a small "get together". Once the word got out – it started to roll.

"I asked Mr. Gross if he thought the Shrine Hospitals would appreciate a donation from the proceeds. He began checking on Shrine involvement, rules and insurance issues. He found that so long as the beneficiary of the event was to be the Hospitals, it was ok to accept the proceeds.

"There was a small group of close friends that jumped on board to help. As we progress we got more help from other local car lovers. I had people coming up to me asking "have you heard about the drag race at the airport"? Nobody knew who was behind it or what it was all about. They just knew it was happening.

"We worked on legal issues, insurance, food and pop vendors, safety, policies, volunteers, promotion – lots of things. We were busy. We managed to pull it off in less than 60 days.

"We received donations from many Atlantic businesses to cover the initial expenses. Small town Atlantic has some of the most "giving" folks you can imagine. They were particularly excited to know that the Shrine Hospitals were to benefit. I didn't want this to be a money making thing for me or my committee so we decided that we would save back a little seed money for next year and donate the rest to the Shrine Hospitals. That created even more public excitement.

"The Shriner Pacers Club showed up with a few parade cars were the first ones to race down the 1/8 mile track. The crowd got a kick out of that.

"Everything was safe as the cars had to pass a "tech" inspection before entering the race. The race was delayed a bit at times by Mother Nature. Rain came and went a few times. Luckily there were only a few delays due to weather. Despite the weather, we still had over 1500 spectators (free admission) We had 200 participants show up. For a \$20 admission and they could run their cars as often as they wished. Not bad for a rainy day!

"It kind of turned into a mini Woodstock. There were racers from Texas, Kansas, Nebraska, South Dakota and all over Iowa.

"I was really impressed with the number of local people that volunteered. They helped with set up in the morning and tear down in the evening. The volunteers hauled bleachers in and out, inspected cars, picked up trash, set up barricades and parked cars. It went on all day long.

"There is an incredibly amount of things that have to be done at an event like this. We plan to do it again next year."
