

Outdoorsman's Guns Gear and More Raffle Nov.18th, 2018

Nobles we are approaching the former Gun Raffle idea a little bit different this year, and thought you'd like to know how it works, just in case you didn't read last month's article.

This year we try not to send out tickets to the Nobility, but instead you will need to pick them up at the Temple office, or from your club or unit President who will need to pick them up from the office. In addition, we are giving you all an incentive to sell tickets to benefit both yourself, and your club or Unit with a commission program! Here's how it works:

- Every time you Sell 5 tickets- keep the Green 6th Sellers Ticket for yourself (or give it away to your friend) The Green sellers Tickets will all be entered in a special drawing for gift certificates from Scheels, or another vendor we are trying to add to the program. There will be 10 of these ranging in value from \$100-\$400 and will allow the winner to use it on any item of their choice.
- Your Club or Unit can benefit too- here's how- once the club has sold \$1000 worth of tickets- they will receive 5% commission, then once \$2,000.00 worth of tickets have been sold, the commission jumps to 15% on anything from \$2,000 on up! A great way to add some \$ to the old unit/club check book.
- We will also have several games this year to add to the excitement provide opportunities to win other items.
- We will be offering 52 Card 50/50 splits also- there will be several of these throughout the event.
- We will also be offering 50 Endless Beer Mugs at a special price- each will have two separate raffle tickets in them- and those 100 tickets will be placed into another separate drawing that day, pretty good odds, but you must be present to win!
- For all general Raffle items offered the day of the Raffle, you need not be present to win, however there will be several separate drawings that day, that will require your presence or the ticket holder to be present to win!
- We are also adding other vendors and opportunities like; the use of a cabin in southern Iowa for Deer Hunting (two nights for late season Bow or Black Powder, meals included), a Waterfowl Hunt with one of the premier Waterfowl Guides in Iowa, and much, much more!
- In addition to firearms, we will offer offering kayaks, Archery items, optics, Fishing items, to be more than just a Gun Raffle!
- Watch our new Za-Ga-Zig Shrine Website to keep up with the additions to the Raffle prizes and other information.

- We will also have Gift Certificates included throughout the drawings and the General Raffle. This option gives everyone another chance to get exactly something they would like, or get Christmas Gifts, Golf Gear, Fishing Stuff, etc...
- A Raffle ticket is good for food, two free tap beers, and a great party.

You might want to look outside the Shrine to sell your tickets because you have the best opportunity to capitalize and make money for your Club, Unit, and your Temple! This is a Win, Win, since everyone that wins an item from the General Raffle items, can use the certificate to get anything they want from the store, even if they do not like the item listed! You are raising money for your club /unit, and you have the chance to win something special for yourself. The Outdoorsman's Raffle is open to the Public, and let's make sure to invite them to the Raffle Party, and pack the place!
