Potentate's Comments

Dear Nobles,

Well it's July already and we have a full agenda for the month. Remember our Stated Meeting will be on Tuesday, July 10th, I hope you can make it!

Parade season is here! On July 3rd there is the West Des Moines Parade; July 4th there are three parades to hit that day: Bussey, Exira and Urbandale.

Other events include: The Good Guys Car Show Golf Cart Operation June 30 – July 1st at the Iowa State Fairgrounds and the Hillbilly Kruse on Saturday, July 8th.

The Elected Divan Representatives will be in Daytona Beach for full days of work at the Imperial Session July 15-19th, then back to Iowa in time to make the No. 1 Shrine Bowl in the country on July 20th for the dinner and the game on the July 21st.

We finish the month with our famous Ladies Auxiliary Corn Feed on July 27th.

As we are going to parades we are constantly reminded by those who come out to see us of what Shriners do. Several times over the last few years the folks in the crowd have said, "You know it really means a lot to us to see the Shriners. They do so much for kids and the work the Shriners do is amazing!"

I still remember one of my first parades and the kids on the sidelines saying, "Here come the Shriners! My Daddy is a Mason, and some day he's going to be a Shriner!" When we parade, we are sending a huge message back to the public that their support is important to us! We also are helping to recruit new Masons and Shriners too. After all, giving back is what we are about, isn't it?

We have some Potentate's Picks again this year and we need to show the public why Za-Ga-Zig is the No. 1 Temple in Iowa! If you haven't attended a parade lately, please make the effort. Your public is missing you!

*Fraternally,
E. Jay Coon, Potentate*

2018 Onion Sales

Craig Matzke, Assistant Rabban

As I am writing this we have about 50 bags of onions left out of 6000 bags. It was quite a feat of moving that many onions. It is all due to a team effort that I am so appreciative of.

First to all the Nobles and Ladies, year after year continue to sell our onions. Some say that our onions sell themselves and in some small part that is true. In reality it is the Nobles, Ladies and friends that pound the pavement, maintain the relationships and keeps a steady core of dedicated customers that continue to buy Sweet Vidalia Onion.

Whether you sold or bought one bag or in the case of Adams County Shrine Club 950 Bags and Fort Dodge Shrine Club with 895 Bags you all played an important part in the success of the 2018 Onion Sale. Each of you made this event a success. After we have a full accounting of costs and proceeds I will be making that announcement at a future meeting.

I want to publicly thank Lady Diana Corbin and Lady Carolyn Shannon. Without their patience and attention to detail this project would not have been a success. Answering phones, tallying orders, verifying orders, re-veri-

fying orders and deciphering some onions orders seemed like a monumental task and they handled the entire project seamlessly. It was a pleasure and gave me great confidence that this event would be successful with them on our team. I truly depended on them for their years' experience and dedication.

I want to extend my appreciation to Pat and Ziegler that took care of most of the heavy lifting by providing expert operation of the forklift to off load the semis. When I saw 6000 bags sitting in the back of the semis I wondered how we could have done this without them. Thank you never seems like enough. A word of thanks goes to Decker Trucking out of Fort Dodge for their generosity and making that part of the operation run smoothing, even with a truck issue we had our onions onsite when promised. Kelly Folsom of Folsom Farms who continues to provide a quality product year after year and is never afraid to take a call from us. I am so thankful for the relationships that have been built over the past years that keep this event running so successfully. I hope that I have honored those relationships so that Za-Ga-Zig continues to succeed.

To the Nobles who shed more than a few drops of perspiration those first two days of onion distribution, I can't thank you enough, you have my sincere appreciation. There was one standout and I know that he would not want me to mention his name however; you need to know his name, Noble Rick Krutsinger of the Lucas County Shrine Club. This new Noble called and asked when he needed to be there to help and boy did he help. If you were there that first day, you witnessed an incredible work ethic and a tremendous attitude, all for our Fraternity and Philanthropy. I hesitate to mention anyone for missing one person who so generously gave of their time, energy and perspiration those two days; I will not forget your efforts.

Finally, I want to thank Chief Rabban Doug Miller and Treasurer and Past Potentate Danny Willson for their assistance and guidance through this event. Not only did Doug do a lot of the heavy lifting, he also fed us and made sure that we were well hydrated. With his past experience, Doug also helped with providing insight to the operation. For Danny what can I say, he was the numbers guy. Keeping the orders straight and taking care of the all the financial issues. This is a huge job. He was also gracious enough to make himself available for Nobles after the normal hours.

Gun and Gear Raffle

By Paul Freeman

Think it's too early to start thinking about our November 18th raffle? Your committee doesn't think so. There are several changes being made to this event that we think will be to the financial benefit of our temple and your unit or club.

First and foremost, a title change. We will no longer refer to it as a "Gun" raffle. It is now the "Za-Ga-Zig Shrine 4th Annual Gun & Gear Raffle." This year we are offering optics, archery, vouchers and other outdoors equipment as well as firearms.

Scheel's is once more our business partner for this event. Why? They offer us choice. You don't want the kayak you won? Scheel's will offer in exchange a voucher for the value of the item for ANYTHING in the store. This will open the raffle TO ANYONE AND EVERYONE, not just hunting and shooting enthusiasts. Hunting, fishing, clothing, artwork, camping, and any outdoor sport you can think of- Scheel's has something for everyone. This alone should generate higher ticket sales.

Another benefit about dealing with Scheel's? The first 2 years they provided our guns for our raffle, they wrote a check back to the shrine. This amounted to 10% of what we spend with them, putting our investment at **only 5% above cost**. Last year Scheel's gave us a financial contribution to start out 2018 and to help with our circus, even though we did not purchase from them last year. This alone speaks volumes about the commitment Scheel's has made to Za-Ga-Zig to partner with us for this event.

"What about me? How do I benefit?" You stand to benefit by selling your tickets. We are making a slight change to the tickets this year. Every book of tickets will have a "SELLERS TICKET." It will be the last ticket in the book and will be a different color. Once you sell the 5 tickets in the book, you will fill out the "SELLERS TICKET" and it will go into a special drawing for a gift certificate to Scheel's. There will be 10 of these tickets and the amount will be based on ticket sales. We are looking at certificate values of anywhere from \$100 -\$400. Also, the noble who sells the most tickets will get a gift certificate for \$400.00 to Scheel's and you still have a chance at the 10 "SELLERS TICKET" gift certificates.

"Wait? You mentioned that my unit or club benefit from this?" Yes. Any unit or club that sells \$1000.00 or more in tickets will receive 5% commission back to their unit or club. Sell \$2000.00 or more and it jumps to 15%. We are really digging into our bottom dollar to give you an incentive, so we need to push these tickets. **Remember, Scheel's has something for everyone.**

We are adding more games of chance. We will be offering a 52-card raffle. These are a 50/50 raffle at \$20 per chance that splits \$520.00 between the temple and the winner. We will run

these raffles numerous times throughout the event. Any donated items that we receive will be offered through raffles.

Finally, we are considering looking outside the philanthropy to help us sell tickets. The independent business owners in small town Iowa. The barbers, service shops, retailers, restaurants, implement and seed dealers, etc. If anyone has such a person in mind, please contact me or the office. They would qualify as the "SELLER" for the "SELLER TICKET" drawings. *This idea is still in consideration and has not been finalized.*

Many neighboring temples make well over \$125,000 at these events. Some close to \$250,000. They have outgrown their raffle and have it off site. With a little effort, we can grow this. We know we will not hit those numbers right away, but we can start the upward trend in 2018. At the very least, there is no reason that this event should not come close to (or surpass) the amount of money we raise at the circus, with a lot less manpower and effort, over the next few years.

Iowa has thousands of outdoors enthusiasts. Go to any campground, walking trail, golf course, lake or sporting complex and see for yourself. Our event will offer something for EVERYONE. Did I already mention that?

Clubs and Units Update as to Charitable Giving

A recent question came up concerning Clubs and Units, and this is a condensed version that was sent to our Recorder (John P. Miller P.P.), regarding these matters by John C. Piland Executive Vice President/COO of Shriners International. (The entire letter can be viewed in the Recorders Office upon Request)

"First as it relates to the power and control of clubs and units, the bylaws of Shriners International are very clear that units and clubs of the Temple are under the control of the Potentate. See Sec 336.1 and Sec.337.3 of the bylaws of Shriners International. While most clubs generally operate autonomously within the scope of authority provided to them by the temple Potentate, a club or unit that is disbanding cannot simply choose to dispose of club or unit assets which are property of the Temple.

If you can believe it, we had a circumstance in which we heard that a member of one of our clubs suggested that the proceeds of a disbanding Club simply be divided among its members. In other cases, we have heard of clubs attempting to provide the money to local charities unrelated to the Shrine. Such an action may be considered an unauthorized act as set forth in Sec.334.13(a) of the bylaws of Shriners International in that club and unit property is in fact the property of the temple and members of a disbanding club, which are, in fact, temple assets.

The second question related to whether a temple, club or unit can consistent with the bylaws of Shriners Interna-

tional, provide money for charitable purposes other than Shriners Hospitals for Children.

The specific provisions which is applicable to the question follows: "No Noble (in his capacity as a Shriner), Club, Unit, organization of Nobles or affiliated or appendant corporations shall engage in any charitable fundraising activity other than for Shriners Hospitals for Children." General Order #, Series of 2017-2018, "Fundraising Activities", "2. Fundraising for Charitable Purposes", p.45

We should all be working for the benefit of our Charity, Shriners Hospitals for Children. If we are all pulling on the same side of the wagon, this question would never arise. "Shriners are brothers. We share a common creed and common goals and values. Our Creed Sec 210.2 includes a pledge to one another to support the SHC: "we believe Shriners Hospitals for children to be the world's greatest philanthropy, and we covenant with each other to support its "temples of mercy" with spirit, time, talent, and means." Therefore, when considering the goals, shared values and obligations as expressed in our bylaws, it would be difficult for one to suggest that charitable efforts for entities other than SHC by? Temples, clubs, units, or Shriners acting within their capacity as a Shriner are consistent with the bylaws.

In addition to the language of the bylaws and General Order #1, which clearly sets forth the overriding concept of supporting SHC as our sole Charity, practical concerns also

support this limitation. Last year's budget for Shriner's Hospitals for children showed a budget deficit of roughly \$165 million dollars. Future budgets, based upon an inflation factor of 6% for healthcare, would indicate the budget deficits will soon be a quarter of a billion dollars annually assuming no additional services are provided. The cumulative effect of Shrine entities providing charitable funding for charitable efforts other than SHC would result in a huge amount of money being diverted to charitable efforts for outside charities while our own charity faces extremely high budget deficits.

While there are several other charitable efforts that are very worthwhile, none of them are "Our" Charities. It is also surprising that in the marketplace of good causes and charitable efforts, Shrine entities or Nobles (in their capacity as Shriners) would believe that there are charitable efforts worthier of support than our own charity. The question is sometimes raised requesting us to identify the specific prohibition on contributions to charitable causes other than SHC. I think a better question is why Shriners, in their capacity as Shriners, would prefer to support other or outside charities rather than the one we have covenanted with each other to support which is identified as our own.

Samsar Report

By Kevin L. Trevillyan

It is hard to believe that we are half way through the year already. We have had great success in building our membership and there are even more great things to come. I would like to say thank you to everyone that has either brought in at least one new member or have gotten a former member to get re-instated in the Shrine.

I know that I had stated this before.....but it cannot be said too often,

I would urge all of you to find at least one Master Mason and bring them into the Shrine. There are way too many Masons that are not Shriners. We need to find them are get them into our great fraternity and philanthropy. We also need to think of a former member or members that we know that were dropped for non-payment of dues and let them know about the amnesty program. In order to get reinstated, all they need to do is fill out a petition for restoration and pay this year's dues and they will be back in. Also, if you know anyone that demitted from the Shrine be sure and contact him about getting active again.

We have one more opportunity coming up for everyone to help raise money for the Shrine and help raise awareness of the Shrine. We will have our golf cart shuttles operating on August 9th to 19th at the Iowa State Fair. If you are able to drive a golf cart please contact the Shrine office. Working even just one shift will help. Once you drive, you will see how enjoyable it is and I am sure you will want to drive more.

It takes every one of us to working together, not against each other, to make great things happen.

If anyone has any ideas or suggestions please contact me by email at kltrev@hotmail.com or by phone at 515-240-8786.

A PREVIEW OF IOWA'S HIGH SCHOOL FOOTBALL TALENT

Sportsman Unit News

By Paul Freeman

An Iowa Hunter's Safety Course was held on Saturday May 26th at the Shrine Temple. This course is required before anyone born after January 1, 1972 can obtain a hunting license in the state of Iowa. 26 people attended our first of what we plan to be many hunter's safety courses sponsored by the Sportsman Unit.

Ill. Sir Jay Coon also attended the class. Many western states require passing a Hunter's Safety Course, regardless of age, to obtain a license to hunt in their state. Our Ill. Sir decided to take advantage of the opportunity.

Considering it was a holiday weekend, the turnout was greater than expected. The course was led by an Iowa DNR officer and P.P. John Miller, Jr. who just recently became re-certified to teach the class.

The feedback on this course was excellent. In fact, one of the parents who attended the class with his son mentioned that he

was going to go onto the DNR webpage and other social media sites and highly recommend our class to anyone interested in taking the course. The class was completed by everyone in just under 6 hours with everyone passing!

Todd Boender, my father and I prepared a free will donation lunch of hamburgers, hot dogs, fries and cookies.

Upcoming events include our Trap Shoot on July 28th (see ad in this month's edition) and another trout fishing adventure in the fall being planned by Todd Boender. You know we will sneak in a few day long or weekend trips as they become available. If you want to be a part of the fun and adventure, come see us. We are still meeting on the 4th Wednesday of the month at the Temple around 6:30pm for a meal followed by our meeting.

Food for thought for all Nobles: When we walk a lighted path at night, it's easy to see where we are going. If the lights were not there, we would have to slow our pace as not to trip over an obstacle. Each of our lives is a journey, and although we may not know what lies ahead, we know our way is illuminated by our inner light. Nobles, make the journey and shine your inner light!

The May 16th Ladies Nite Dinner was once again hosted by the Stecker family and consisted of Prime Rib and all the extras. This was a great meal – again! If you missed it, shame on you.

The June 20th Ladies Nite Dinner consisted of Cavatelli and was hosted by Dan and Cyndi Brogden. An excellent meal!

The July 18th Ladies Nite Dinner will be a Steak feed hosted by several Nobels and their ladies. In recognition of the excellent turnout by the community of Pilot Mound for the Biscuit and Gravy Feed that Mirza Lodge put on, several community members will be in attendance. Please R.S.V.P. to Dan Baker by July 16th (515-432-5490).
