Despite the weather the Nobility Ball was a success as usual. This will be a weekend that Lady Dixie and I will never forget. There are so many people to thank for making the weekend so memorable. Thank you to Fez-B for the hospitality room on Friday night, Chief Aide, Ill. Sir Tom Robbins and the Ambassadors for the hospitality on Saturday. Ronda Greenfield and the entire ball committee did an unbelievable job with the entire ball. Thank you to Noble Kevin Schneider for all of the emcee responsibilities that he performed. A BIG thank you to Carolyn and Lady Di for all of the work behind the scenes to make everything possible and go so flawlessly. Thank you to my personal aid, Noble Ryan Phillips and Lady Dixie’s aide Dia Fenton, these two kept us on track and were always there for anything we needed throughout the weekend. Last, but certainly not least, thank you to all of the Nobles and their ladies, without you none of this would be possible. Congratulations to the Ambassadors, Clowns, and Bowlers for winning the room competitions.

If you missed the Mardi Gras Party, you surely missed a good time. Thank you to High Priest & Prophet Keith White and Lady Dana along with their committee for a great night. Also thank you to Ill. Sir Tom Robbins along with his crew for the abundance of great food, as usual and the king cake made by Noble Aaron Jones.

I am putting together a golf trip May 8th-12th. We will be going to the Ozarks Golf Trail. The package will include 4 nights lodging in condominiums and 3 rounds of golf at 3 different courses. As of now the price will be \$475 each. The price could go down if we can get some more golfers. Please contact me if you are interested.

Fraternally Yours,
Doug Miller

Sportsman’s Unit

By Paul Freeman

If it's not on your calendar, get it on there. Our Annual Fish Fry is this month- Good Friday, April 19th. Doors open at 5:00, fish on at 5:30 and we will serve until 7:30. Same ol' recipe and routine that the Greeters made famous.

Don't forget that night we will be drawing for our Sportsman's Raffle. Tickets are 6/\$5.00 and you could win a bike, bean bag game, fishing combo or lighted bar sign. Tickets are now available from any Sportsman's Unit member.

This year, Jim Mason will be making homemade cornbread hush puppies to accompany baked potatoes. These are AMAZ-ING!!! Jim cooked up a batch at our February meeting to go along with fried rabbit in mushroom gravy courtesy of P.P. Mike Des Planque. We always make it a point to cook up some game or have something to eat at our meetings.

We scheduled our 2nd trout fishing trip to NE Iowa for May 17th-19th. We will be focusing our efforts in the Marquette area this time. Instead of hauling a bunch of campers this year, we decided to bunk down in a hotel.

Another fishing trip is planned for Lake Thompson in South Dakota for September 12th – 15th. Lake Thompson is known for a variety of sports fish, especially perch. Crappies, northern pike, walleye and big bluegill are common.

Due to the demand, we are sponsoring another gun safety course. It is set for Saturday June 22th at the temple. P.P. John Miller Jr. along with an Iowa DNR officer will be conducting this class. Watch for the May and June editions of the *FEETPRINTS* for updates.

Want more? A couple of upland bird hunts and a shooting event are also in the planning stages, and more.

This unit is starting to do the things that Sportsmen do - getting out in the woods or on the water and doing what we love. Come and be a part of this fun and exciting group of Nobles. We always meet the 4th Wednesday of the month at the temple. As mentioned before, dinner at 6:30 with our meeting to follow.

Hole-in-One

Steve Fedler, P.P.

We have a few dates locked in for 2019. May 1 – 8:00am tee time Black Camel Open at Terrace Hill. Potentates Open July 14th, 8:00am Terrace Hill. Remember it is Shot Gun start, BE there and ready for Tee Time.

CALL your team in at least 7 days prior to VP John R at 262-2565. We need that notice so the course can prepare food for all golfers. After the long winter, it will be good to hit the greens again.

COST has gone up as we all know, but when it comes to a game you love and almost skip work for, NO price is too high. Golf outings will now be \$65, BUT that will include food at each outing.

Sponsorship is still available at \$100 for the season, which gets you a professional sign designed and displayed at each outing. Contact any officer or member for details.

Keep your clubs handy and work on the putting.

NOTICE to MEMBERS: Our April meeting will be a review for some update changes to our By-Laws, so please attend as we will vote on any changes in May.

Power of a Parade

Craig Matzke 2018 Assistant Rabban

As we gear up for the fantastic future of Za Ga Zig I wanted to revisit an issue that I have written on in the recent past. It continues to be one of our greatest connections with the communities we call home. It is also to highlight the importance of being part of a Unit or Club. We have such a great capacity to impact the lives of so many people across Iowa with the care provided by our Hospitals, our Fraternity and Philanthropy.

I will start at the beginning of the Parade. As we gather up, there is so much fun and fellowship, gentle ribbing and comradery, I said to myself, this is fun! Then as we meet the other entrants of the parade, the genuine appreciation of the organizers, hosts, elected officials and Nobles and Ladies that live in the community it was amazing. Not only are they appreciative of what we can bring to a parade, they show their heartfelt appreciation for the Shriner's Hospitals for Children. The show of thanks and appreciation of what we are able to do is evidence that we are doing something right! When you hear, "we love you, thank you for what you do!" "You're amazing, thank you!" It's quite humbling and hard to believe that we get this kind of reception.

It is this type of grassroots effort that will continue to grow our Masonic Fraternity and Shrine. We are no longer the best kept secret anymore. Imperial has invested millions in branding opportunities to build awareness of the Shriner's Hospitals for Children. Our Patient Ambassadors have endeared themselves to America to make them instantly recognizable. Parading is very real way of being part of so many communities, and seeing the faces of those who wear the red FEZ and support the Shriner's Hospital for Children and so many other activities in their communities.

We have new units popping up and old units re-energizing their group and hit-

ting the parade trail. Parades are still American traditions that everyone looks forward to, to celebrate what is good in our communities. Za Ga Zig Shriners are still a part of that and we play an important role. It was amazing to hear the shouts from the crowd as to where the go carts were. They want to see want to see the motorized units.

As this comes out in the cold of winter, now is the time for new and experienced Nobles to explore joining a Parade Unit. We have the Mini Bikes, Trikes, Ambassadors, Drifters, Clowns, Antique Tractors, Diplomats, Hillbilly Clan 112, Isettias, Pacers, Oriental Band, Sand Runners, Zag Trax, Calliope, Hot Rods and Classy Chassis and Chrome Nobles. Each and every one of these Units will welcome you!

Be part of bringing Za Ga Zig to the Streets of Iowa.

ATTENTION ALL OUTDOORSMEN !!!

Invites you to attend our next meeting. We meet the 4th Wednesday of the month at the Temple. 6:30pm dinner, meeting at 7:00

So if you fish, hunt or just enjoy being in the outdoors, this unit was created with you in mind !!!!!

A Message from the Chairman

Shriners Hospitals for Children — Cincinnati
BOARD OF GOVERNORS

Tim Mason

We have some very exciting news to share! This morning **Shriners Hospitals for Children® — Cincinnati** announced that it has entered into a Memorandum of Understanding with Dayton Children's Hospital to explore relocation to the Dayton, Ohio pediatric hospital.

Once legal documents are agreed upon and complete, Cincinnati Shriners would lease and occupy separate space on the Dayton campus, remaining a distinct hospital within a hospital.

It is estimated that a final move could occur within the next 16 months. During this time, Cincinnati Shriners Hospital will remain actively seeing current and NEW patients.

These changes are necessary to ensure that our hospital can continue to provide the finest pediatric specialty care far into the future. Current healthcare trends require us to adjust our delivery model to more accurately reflect today's environment.

Over the past decades, there has been a decline in the severity and number of pediatric burns in the U.S., especially those requiring a lengthy hospital stay. This move will enable Cincinnati Shriners Hospital to deliver all its specialty services more efficiently, purchasing certain services from the Dayton hospital.

A timeline for the move has not yet been fully determined, but patients could be seen at the new location by summer of 2020. Until that time, both **new and existing patients will continue to be cared for in Cincinnati at the Burnet Avenue location.** Please keep transporting and supporting families in your region so that children will continue to benefit from our life-changing care.

I will keep you updated on the progress as we go forward. If you have any questions you can contact me at timmason@bellsouth.net.

PARADES

Steve Green, P.P., Recorder

Nobles, Spring is not that far away, even with all the snow and freezing cold that we have had. This is the time to remind all of you who wish to participate in the parades for 2019 to get your insurance declaration coverages into the office. This is a necessity, not only to protect you but to protect your Shrine, and this is a requirement by-law of your Shrine and Imperial. As soon as we get your insurance declaration page, we can send your parade sticker out to you.

Remember we need the full page of declaration, not the card you keep in the glove box, which states your name, coverage, coverage limits, and dates of your coverage. Also, remember that if your insurance expires in July you will need to provide a second declaration page for the remainder of the year.

Zig Zaggers Club

Steve Fedler, P.P., Coach

Players who went to Spring Camp are back and ready for games to begin.

For all players, new players, and our Great fans, the season will start May 3rd. Do not have game times yet, but we are signed up and getting ready to play ball. I heard Lady Dixie will be back and ready to play this year. We look forward to her ability to place the hit on the field to get RBI's. Any new player must get their name to the Coach or Jason Fenton to be put on the roster, NOW! Games are on Friday, so start your weekend with a Ball Game.

We have scheduled our Spring Omelet Breakfast on Sunday, April 28th. Information is in this issue and on the Web. Remember, come out and enjoy an Omelet made to order and served to your table.

Circus Committee

Steve Green, P.P., Chairman

I want to give you a report on the success of this year’s Circus. This success is only because of you Nobles, and our Ladies. Your hard work payed off in selling sno-cones, programs, T-shirts, and new this year was the ladies who assisted with selling tickets for animal rides, and face painting. I know the hard work that all of you put into this, I hope all of you had a great time in your assignments and I know that Illustrious Sir Doug Miller is so proud of his fellow Nobles and Ladies

At the time of this writing we unfortunately still don’t have the complete numbers in yet, but the Potentate projected for this year’s budget was \$60K. Well give yourself a hand, as it appears that we will make the budget. If you still haven’t paid for your tickets and plan to please get that money in so that we can finalize all the totals please. And if you used your tickets and received a letter stating they have not been paid for, please submit that also.

THE ANTIQUE TRACTORS & FLYING FEZ CLUB

Invites you to attend our next meeting. We meet the 3rd Wednesday of the month at the Temple. 6:30pm dinner, meeting at 7:00

If you have an antique tractor or like to fly, this club is for you !!!!!

Antique Tractor / Flying Fez

By Paul Freeman

Years ago we started printing biographies of our members in the *FEETPRINTS*. Starting this month we are going to do features on the tractors and aircrafts themselves. A little trivia and some fun facts. You may learn something that will help you win a trivia quiz or at least have material to read while you are “conducting business.”

In late January researchers revealed that they had found the wreckage of the USS Hornet. She was in more than 17,000 feet of water on the floor of the South Pacific Ocean near the Solomon Islands in remarkably good shape, considering the hell that she and her crew went through.

The USS Hornet is best known for launching the important Doolittle Raid in April of 1942 and her role in winning the Battle of the Midway Islands. On January 13, 1942 during the Battle of the Santa Cruz Islands, she was sunk by 2 torpedoes during a 10 hour battle.

There are several remarkable photos from the wreckage you can view on line (Google search *USS HORNET WRECKAGE FOUND*), one of which strikes close to home. Strapped to the deck of the USS Hornet is an International Harvester aircraft tug, still intact. A member whom I am very fond of has a variation of this tug tractor that he parades. That member is Guy Freeman.

It is a W.F Hebard & Co. A-14 Shop Mule. W.F Hebard & Co. built industrial forklifts and tractors. The A-14 was manufactured from 1939 to 1947 using the frame and power plant of an International Farmall A. The 4 cyclinder engine produces approximately 16 hp.

The A-14 was a *custom built* tug tractor offered by W.F Hebard & Co. to meet specific consumer needs- used by railroads, factories, lumber yards, city and state municipalities. The A-14 also saw use as an aircraft tug servicing the US armed forces on their flight lines domestically and overseas. The US Navy deployed a variation of the A-14 on aircraft carriers to tug planes and equipment above and below the flight decks.

The A-14 was offered in four colors: International Harvester red, industrial yellow, olive drab and navy gray.

The history of Guy’s tractor is a mystery. W.F Hebard & Co. filed bankruptcy in 1948 and records no longer exist. There are a few videos of functioning A-14’s on You Tube. A working A-14 is very rare.

How did Guy become the lucky owner of this A-14? The fully restored tractor was given to him as a gift.

Thank you to our club secretary Mike Modlin for bringing the find of the Hornet to my attention, giving me this idea to write about the rides we love.

Hello from Your 2019 Za-Ga-Zig Assistant Rabban Dean Schoppe

The Annual Vidalia Onion Sale is under way and I'm privileged to be this year's chairman. I would like to encourage all nobles, clubs, units, and their lodges to participate in this great endeavor, as it serves as one of Za-Ga-Zig Shrine main fundraisers. The farm fresh onions are shipped directly from the fields of the growers in Georgia, with freshness expected to last from 4 to 6 months. A 10 lb. bag of Vidalia's will sell for \$11.00 with a commission of \$2.50 per bag. I would like to encourage everyone to sell another 10 to 20% more this year, so we can take advantage of the second truck by filling it to the brim

which of course would result in more money for everyone involved. If you have a favorite onion recipe, please share it on the Temple's Facebook page or email them to me at dschoppe@darylsguns.com.

We just wrapped up our 2019 Za-Ga-Zig Circus; preliminary numbers appear to be better than the year before. This year we switched to the Hanford Circus and the change seemed to delight the attendees as we received numerous compliments on their performances. We are planning on using Hanford again next year. If you haven't already paid for your Circus tickets, please turn the money into the office, so we can finalize all sales and bills to get the final numbers on the Circus. Thank you, for all you're help making the Shrine Circus a success.

Lastly, please update your contact list with my correct email address, dschoppe@darylsguns.com

*Fraternally Yours,
Dean Schoppe
Assistant Rabban 2019*
