Comments

The Summer Ceremonial was a great success. We initiated 11 new Nobles that day, please make these new Nobles and their families feel welcome when you see them. Thank you to the Directors Staff, Ritualistic Staff, Chanters, Oriental Band, and Chief Aide P.P. Tom Robbins for making the day a huge success. Everyone has made great strides this year for membership, lets keep the momentum going for the Fall Ceremonial.

I need to thank all the units, clubs and individuals that donated to the family picnic. Attendance was not what we were hoping for but everyone that attended had a great time. After Oriental Guide Riddle had an unfortunate accident at home Chief Rabban Matzke and High Priest & Prophet White stepped up to make sure the event was a success.

Please try to attend events at the Temple, without your support these events will financially affect the Temple’s budget. Your support is what keeps our dues and Oasis prices what they are. We have tried to cut as many expenses this year as possible so that we are still able to have fun activities for Nobles and their families.

At the publishing of this article myself, Chief Rabban Matzke, Assistant Rabban Schoppe and High Priest & Prophet White will be attending the Imperial Session. We have already seen the legislative issues coming up for vote this year. There are only a couple items that could affect our Temple. First, Imperial is asking for an assessment of \$1 per Noble to enhance the membership/marketing program. This would cause a budget issue for future divans. Secondly, legislation is being proposed that if a Noble is running for office, he must announce at a Stated Meeting prior to election night and no announcements for office will be accepted the night of elections unless no other Noble has announced for an office prior to election night. We will give the results upon our return.

Fraternally Yours,
Doug Miller

Dear Za-Ga-Zig Nobility

As we have reached the mid-point of 2019, I feel that it is important to reach out to all the entire Nobility and provide much needed information regarding Za-Ga-Zig. First, I want to thank everyone for their dedication and devotion to Za-Ga-Zig. However, we are facing unprecedented challenges as we move forward. Membership and participation are two key factors to the success of Za-Ga-Zig. Your 2019 Divan are determined and dedicated to work with you in making positive changes.

The Units and Clubs are instrumental in success and longevity of Za-Ga-Zig however, we are at a critical point in our history. However, the individual Nobles are the HEART AND SOUL of Za-Ga-Zig and our Fraternity that serves our Philanthropy. We have seen unprecedented and unpredictable declines in participation, which results in the dramatic loss of revenue.

We understand that today’s men and women have more choices and demands on their valuable time and resources. We look for places to provide the highest satisfaction and confidence that our time and money are well used and valued. That is why I am reaching out to you in this message, to the entire Nobility, to find that reason, passion and drive to become part of our Fraternity and Philanthropy. We are still here with the same core mission.

Za-Ga-Zig has changed dramatically over the years, from location, membership, participation and events The Heart and Soul remains the Nobles and their Ladies, family, friends and community that support the Za-Ga-Zig Temple and what we do. It will continue to change, and we must be willing and able to embrace the change, for if we don’t, we will fail our Hospital Kids. With declining membership and participation, the responsibility falls to the rest of us to either shoulder the load or reignite the passion of others to join our Fraternity, comeback to our Fraternity or to remain and become more engaged in our Fraternity.

We have created and tried to revitalized events for everyone of all ages. Our Circus, a 70-year tradition, has seen a decline of members purchasing their tickets and attending the Circus itself. We have seen a reduction in Circus Book Advertising Sales. The Circus continues to generate funds yet, net income continues to decrease, as a result of a decline. Our goal is to raise audience attendance for the 2020 Circus and a renewed interest of the event amongst the Nobility. The Circus is not a thing of the past, promoters are continually finding new acts to continue to provide energetic and entertaining shows. These circuses are prepared for the industry changes.

We have strived to maintain long standing Za-Ga-Zig traditions that may be in jeopardy due to a decline in participation at meetings, events and fundraising activities. It is the events and fundraising activities that keep Za-Ga-Zig individually af-

fordable to the Nobility. Your 2019 Divan and future Divans are facing some very difficult decisions.

To simply say we are over budget is an oversimplification of the issue. The 2019 Elected Divan has made great effort to reduce costs without raising the individual responsibility of the Nobility, to include raising dues, prices for other events, meals and prices at the Oasis. Over the past several years we have seen a change in the day to day management of the Shrine Center, which has reduced costs. Our fear is that we may have to make additional changes that would limit staff availability the Nobility and others.

We need your help Fraternally and financially, please support our fundraising events and social events, please share in your successes in your individual fundraising efforts at the Unit and Club level, encourage our Mason Brothers to the continue their Journey in the Shrine. The legacy you have built cannot continue without it. Money alone will not cure the issue; we need you, the Nobility, to continue to make Za-Ga-Zig Iowa’s largest and best Temple! We will continue to keep you informed, please come to the Stated Meetings, Nobility Meetings and share

Fraternally,
Douglas C. Miller

Antique Tractor/Flying Fez

Paul Freeman

The Model B was Allis-Chalmers second-generation row-crop tractor. 3 words best described this tractor: small, lightweight and versatile. An excellent tractor, combined with effective marketing, helped the Model B become a commercial success. It was one of Allis-Chalmers longest production tractors (1938-1957.)

It had a 4 cylinder engine that produced just under 20 horsepower and weighed in at only 2,060 pounds. Total production was 120,783 (several variations) and in 1957 it could be purchased for \$1500.00.

At the time, most tractors were being used on farms over 100 acres. The B was designed to enter the small farm market. This is where its small-size and versatility shined.

Early sales literature about the Model B was devoted to convincing farmers that this tractor required less work to maintain than horses. The marketing department even relied on government supplied research that proved that fact.

The Model B would not remain the smallest row-crop tractor in the A.C. line-up. From 1948-1955 the Model G was introduced. It offered only 10 horsepower.

Mike Modlin parades a Model B. He did not intend to own an “orange tractor.” He was attending an auction where no one bid on this tractor. It didn’t have a starter, battery or crank, so there was no way of hearing the tractor run. Mike rolled the dice and a \$300.00 bid bought it. After a new starter and battery Mike has a solid, operational Model B that he puts in the rotation along with his fine collection of Farmalls.

Iowa Shrine Bowl Game

Jerry Hoffman General Manager

We are honored to think we will be hosting our new Imperial Potentate Jeffery L. Sowder and his lady Cheryl at our Shrine bowl game and camp this year. He and his lady will arrive in camp on Thursday and spend the rest of the week with us attending our events and game on Saturday.

Imperial Sir was born and raised on a ranch in Kansas. He operates four separate agricultural-related corporations. Imperial Sir and his wife, Cheryl, have been married for 44 years and have two daughters.

Also, we have Alec our national Shrine spokesman who is a Chicago patient, come to our camp on Thursday July 18 and spend his time at our hog roast, at our banquet where he will be our speaker, enjoy our mini -camp with our hospital children, join us at the parade on Saturday morning and be at our game on Saturday at 4:00 P.M.

What a treat we will have and hope you will be able to come and enjoy all the activities that we will have this year.

The Chicken Leg Dinner
is Coming Back!

Paul Freeman

Over the years, unit and club dinners have come and gone. Some dinners were favorites among the Nobles and guests. One of the favorites is coming back.

The Directors Staff Unit, with the assistance of the Sportsman Unit, is bringing the Chicken Leg Dinner back to Za-Ga-Zig. Two units working together on one dinner. The date is set for Friday, October 25th.

This year, the Director’s Staff will be deep frying the chicken legs using the Sportsman Unit fryers and instead of green beans we will be serving glazed baby carrots. Other than that, the dinner remains the same.

The idea came from a discussion with P.P. Jim Osterquist after the Easter Egg Hunt. The discussion arose about how much the chicken leg dinner was missed and how it was a favorite among the Nobility. That afternoon we talked to Joe White about the Director’s Staff and the Sportsman Units working together on this dinner. A few weeks later we were frying up legs using several different methods and agreed to team up to bring this dinner back to Za-Ga-Zig.

Where are the proceeds going? *The proceeds from this event will be earmarked to a specific project for the Temple.* We are hoping for a large turn-out for the event considering what the proceeds are benefiting. The two units have not decided which project that will be at this time.

Maybe this is the start of something new- units and clubs working together for the benefit of our Temple.

Another Successful Fishing Trip

Paul Freeman

Our 2nd annual trout fishing trip to N.E. Iowa was another successful outing. Seven members and one guest of the Sportsman Unit set out for the streams and rivers around Marquette in search of whatever trout would offer up an opportunity. Rainbows, browns, or “brookies” - we didn’t care. In all, 25 trout were caught over 2 days of fishing thanks in large part to our guide and Sportsman’s member Todd Boender.

The forecast of heavy rain was a concern all weekend long. Only a light nuisance rain fell on Saturday for a short period of time. P.P. Jay Coon must have been sandbagging Friday because at the last stream we fished on Saturday he managed 3 browns and 2 rainbows from the same hole.

On Saturday evening we relaxed and socialized. Jim Mason served up some smoked pork and Rocky Mountain Oysters, complimented with several sides and refreshments.

One down, several yet to go. Be a part of the fun. Join us at any one of our monthly meetings the 4th Wednesday of the month at the Temple. Dinner is at 6:30pm with conversation at 7:00pm.

HELP HELP HELP
WE NEED YOUR HELP FOR
DRIVING GOLF CARTS IN 2019

Budget/Dues

Steve Green, P.P., Recorder

Nobles, if you were not at the last Nobility meeting, you have not heard the bleak news about our budget.

First dilemma, we currently have approximately 106 members who have not yet paid their dues. That is a huge part of our budget. The Shrine has already had to pay the per capita for all of our members. That means if you do not pay your dues the Shrine is on the hook for approximately \$4,000 of assessments that we cannot recoup.

Second dilemma, if you have not yet paid your Blue Lodge dues, by the middle of July, your Lodge will have to drop you as a member there, then you will be dropped as a Shriner also. Regardless, if you have or have not paid your Shrine dues.

Nobles, please don’t let either of these situations happen. Don’t wait until the end of the year. Let’s keep your Shrine solvent.

Nobles and Friends,

We officially have a new home! After a great deal of planning and searching, we will be moving to a new building in the City Place Development in Woodbury, Minnesota, an eastern suburb of St. Paul, Minnesota, by the summer of 2020. This move is a step in our transition to an outpatient clinic model. Construction of our new site will begin later this summer and continue into the middle of next year. The current site will be sold as the transition to the new site is completed.

Ease of highway access, proximity o other local area amenities, first floor access and the opportunity to design and build out space incorporating the knowledge gained from 96 years of service, were all elements that influenced the selection of the site and the timing of this transition. Developing a new site is a special opportunity to create a patient-centered environment for the modern era. The new site will continue to serve children from a seven state service area.

Shriner’s Healthcare for Children’s new facility will provide a wide range of services for children with orthopedic conditions including:

· **Clinic Services:** providing a family-centered, team approach to care. Patents will

see specialty physicians, nurses, therapists and other pediatric-trained specialists in an environment designed for children.

· **Child Life:** providing families with support during appointments through play and anxiety coping activities. The Child Life program also offers over twenty (20) camps and programs to meet the physical and emotional needs of children with orthopaedic conditions.

· **Radiology:** providing standard x-ray service as well as EOD, which provides 3-D, full body imaging with up to 85 percent lower radiation.

· **Rehabilitation:** providing physical and occupational therapy to help children build skills, strength and mobility needed for everyday activities.

· **Scoliosis Specific Exercise** – a specialized physical therapy program that uses exercises, stretching and breathing to improve a patient’s sciotic posture.

· **Orthotics and Prosthetics:** Offering orthotic and prosthetic services specifically for children, including upper and lower extremity prosthetic care, scoliosis bracing and a broad spectrum of pediatric orthotic services.

· **Telehealth:** including telehealth capabilities that enable video connection to other remote sites across the region, creating more opportunities for access to children in

need of pediatric orthopaedic services. This capability enhances Shriner’s Hospitals for Children’s reputation as the largest network of specialized pediatric orthopaedic and burn telehealth sites in the world.

· **Surgery Services:** All surgery services will be performed by Shriners Healthcare for Children – Twin Cities physicians at Gillette Children’s Specialty Healthcare in St. Paul, Minnesota, or other pediatric hospitals.

Concurrently, we continue our planning efforts to expand our presence throughout our service area. This expansion will take on a variety of forms that could include new affiliations with other healthcare organizations and individual providers, expanding the use of our telehealth technologies and establishing physical clinics, just as a few examples. We see this as an exciting opportunity that supports the Shriner’s Hospitals for Children’s system initiative of “Reaching More Kids in More Places”.

We ask for your continued help and support as these changes unfold. We commit to communicating information to all of the Temples supporting Shriners Healthcare for Children -Twin Cities. On behalf of the Shriner’s Healthcare for Children – Twin Cities Board of Governors, we thank you and your nobility for your support!

Please do not hesitate to contact me, or your local board members, with any questions or concerns.

Fraternally,
P.P. Roger J Robinson

Annual Fishing Trip is On

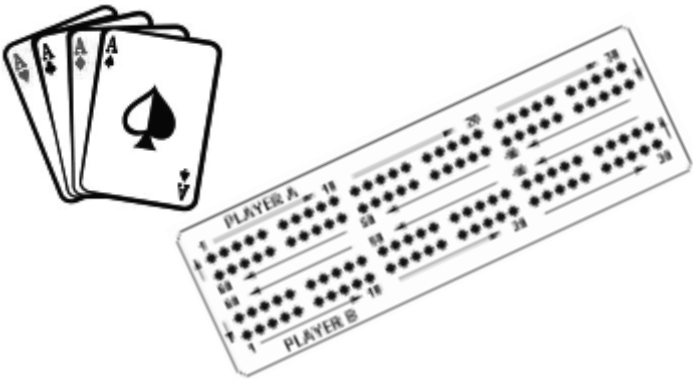

For those interested, the annual fishing trip is on, September 7 – 14, 2019. There is a change to the trip this year. We are still going to Cass Lake, MN, however, we WILL

NOT be staying at Break on the Lake as we have in the past. This year, we will be staying on Lake Andrusia at Morning Star Resort.

If you want to go and can’t make it, please have a representative from your cabin attend or contact Randy Weldon at 515-979-0298 or randyweldon@msn.com.

This event is open to non-shriners as well. Please let us know if you plan to attend. Cost will be \$300 per person for the week.

Fourth Thursday Cards & Social

On Thursday 23rd May we held our new Card Social event. A few Nobles and their Ladies gathered in the bar area and played cribbage, poker & Blitz. We had some onlookers helping us keep the rules straight!

This is not a unit or club and is not intended as a major money raiser - we hope it will encourage members to come out, have fun, network and socialize. The bar is open (Bar is open - Not an open bar =Ø) and everyone is free to pick their own favorite game. Someone even suggested bringing Wii Sports or Rockband and having fun with that. There is no set schedule and it’s your group - so let’s have fun with it.

Our future gatherings will be 4th Thursday of the month, so mark your calendars for June 27th and July 25th. Please come along, bring your Lady and chill with friends. Help us make this an ongoing event and encourage our fellow Shriners to continue having fun together. Over 18’s only please.

For additional information please contact John Roach or Nigel Chapman

Steve Fedler, P.P./Coach

June kept the team busy as we are now 2 for 2 as of May 31. Was a real exciting game on May 31 as we kept changing the lead as the game went along. The fans were really into it and as it got tense for the coach and fans, the team kept making runs happen with 2 outs! Then in the top of the 6th with time running out, we scored 12 runs to give us the lead and the Home team came back, and we held them to only one run in the bottom for a great WIN of 20-11.

So far this season we have scored 49 runs to 43 against our competition. We are playing great and having FUN showing what Shriners and Ladies are all about. June games will be exciting and if you haven’t stopped out to watch, our last game will be July 5th at 6:15pm.

UNPAID 2019 MEMBERSHIP DUES

By: Steve Green, P.P., Recorder

Nobles, we have reviewed our list of members who have still not paid there 2019 dues. Unfortunately, there are 106 on that list. We are half-way through the year with about \$10,500 dollars outstanding that could be helping your Temples budget. IF you are in a bad way financially, medically, or some other situation that is stopping you from paying your dues, please call, email or text, one of your Divan Officers, so that we can try to help you out. There is no reason that we should drop anyone from our membership.
