Potentate's Comments

I would like to ask all of the Clubs and Units to get back into the routine of having monthly meetings. It has been a long year with all this Covid and social distancing rules. I hope we haven't gotten too stagnant.

The annual onion sales kick off was the 2nd of February and I am asking all nobles to sell an extra 10 to 20 percent this year. This will help to cover some lost revenues from the cancelling of the circus, plus I think it would be great to kick this fund raiser out of the park and get that second truck filled up. Whether it be your Lodge, DeMolay, Rainbow girls, or anyone else who might want to get involved with this fund raiser, this could be good for all involved.

Calendar books are at the printer and I hope they are done and ready to pass out for our next stated meeting on March 2 with dinner served at 6:00 pm and meeting to follow at 7:00 pm. The Governors Covid restrictions have been lifted, but we are recommending that precautions still be taken at the Shrine. I hope to see more members present at our meetings. Involvement is the key to success!

Upcoming events:

March 12th Ambassadors corned beef and cabbage St. Patty's Day dinner. Sit down or drive thru options available.

March 20th Des Moines York Rite Festival

March 21st Birthday dinner for January thru March Birthday Nobel's please RSVP to the office by noon March 17, 2021

March 31st Shrine Bowl media day. 6:30pm dinner and presentation. RSVP by March 26, 2021 515 306-7390

May 8th Spring Ceremonial

Your Divan appreciates what all of the Nobles have done so far to help out in these difficult financial times. The elected Divan is working on a continuous business plan to ensure the future success of Za-Ga-Zig. We need your continued support of our major fund-raising events like onion sales, golf cart driving and Outdoor Extravaganza just to name a few.

Thank you for all that you do!

*Fraternally yours,
Dean Schoppe, Potentate*

Food for thought for all Nobles – If we find ourselves with more tasks than we have time to do them, we know we need patience, particularly if we run into unexpected delays. A detour doubles the time it takes to get to work. Unexpected phone calls interrupt our routines. A computer glitch causes unforeseen complications. How we respond to the unexpected makes all the difference. So stop, breathe and affirm: I have all the time I need to do all that I need to do. Mentally step back and reprioritize. Calm your mind. Soon everything will come together flawlessly.

Due to Covid restrictions there was no February Ladies Nite Dinner.

The March 17th Ladies Nite Dinner will be noble Dean House's excellent Corned Beef and Cabbage. A great feed – you won't want to miss!

The April 21st Ladies Nite Dinner will be Pizza, Cheese Bread and Salad.

Hopefully, we can get back on track with our Ladies Nite Dinners on the 3rd Wednesday of the month. Watch the Footprints for upcoming meals.

If you have missed out, mark your calendar for the 3^{ed} Wednesday of every month in 2021! You will not go away hungry or dissatisfied.

Spring is just around the corner (I hope) and we all know what that means...ONIONS. Lets really get out and push them this year! They are still \$11 per bag and orders need to be turned in to the Temple by March 31st.

I would be remiss if I didn't also mention that March 27th is my Lady Deb's birthday as well.

There are a lot of great activities coming up in March and April. Please take a close look at your Footprints magazine and pick out at least one function that you will attend each month. You will be glad you did!

Please remember that the regular Fez-B Club meetings are always held on the 2nd Monday of the month at 8:00 p.m. following the Mirza Lodge meeting.

Message from High Priest and Prophet

Eric Willson

First off I would like to think all the Nobles for electing me to serve as your High Priest and Prophet for the year. I am looking forward to working with everyone on all events and plans to help the shrine get back on its feet. But it is not only going to be up to your elected line to do this. Each and every one of you is going

to have to help by getting the word out to friends and family. With everyone's help we can make every event a big one.

We also need your help on getting new members. The membership number is getting low and we need to raise that back up. Spread the word about the Shrine and how you enjoy it. You never know someone might just ask you questions.

If you have any questions for me please feel free to reach out and I will try my best to answer them or find you the right answer if I don't know for sure. You can reach me at my email Ewillson78@gmail.com or by phone/text 515-559-8089. I am also found on Facebook.

Again it is my pleasure to serve you this year on the elected line and look forward to many more years to come. Thank you

Vidalia Onion Sales

Kevin L. Trevillyan, Assistant Rabban
Onions, Onions, Onions!

Our Annual Vidalia Onion fundraiser is underway. Onions are \$11.00 for a 10 lb. bag. We ask that everyone do their best to increase their sales from last year by 10%. As you are aware, we had to cancel our circus this year due to Covid19. Therefore; we need to recoup our lost revenue from that by increasing our sales in our other fundraising events.

Orders need to be received in the Shrine office by March 31, 2021. They will be delivered mid May. We will keep you updated on exact delivery date when we know it.

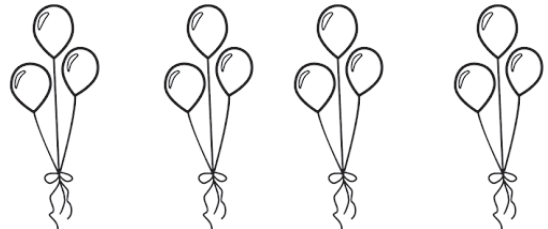

You can get your order forms at the Shrine office or print them from the Za-Za-Zig Shrine web page. zagazigshrine.org

If you have any questions contact Assistant Rabban Kevin L. Trevillyan at kltrév@hotmail.com or call/text at 515-240-8786.

Hospital Volunteer Update

Craig Matzke, P.P.
Board of Governors

Shriners Children's Twin Cities

Thank you for all who attended the February 2, 2021 Stated Meeting and presentation by Dana Kernik-Theison, Professional Relations Manager, Shriners Children's Twin Cities. For those who were unable to attend, the affiliation between Blank and Shriners Children's is moving forward with great success and a bright future.

Work continues to provide volunteer opportunities for those who see this as a way to support our Philanthropy. It is not limited to Nobles, Ladies, friends and family are invited to participate in this effort. The entire volunteer effort is managed by Blank Children's Hospital staff and in accordance to their policies. Opportunities are not limited to just the Shriner Clinic, there are opportunities throughout the entire hospital system and we can play a part in that. To start the process, I invite you to visit <https://www.volgistics.com/ex/portal.dll/ap?ap=1963529081>. I will ask that our webmaster to also place the link on our website for easy access. Please make reference on the application that you are part of Za Ga Zig in order to track our participation and interest. This is a two-step process, first the application, second a confirmation and references. The application will then be processed.

Currently due to COVID opportunities are limited however, we want to be prepared when the need arises and we are allowed to become more involved. Our Ladies Auxiliary is also involved in plans to help fill needs remotely, look forward to those announcements.

As always if you need assistance with the application process or would like more information please give me a call, I can be reached at 515-313-7726.

PARADES

Steve Green, P.P., Recorder

Nobles, Spring is not that far away, even with all the snow and freezing cold that we have had. This is the time to remind all of you who wish to participate in the parades for 2021 to get your insurance declaration coverages into the office. This is a necessity, not only to protect you but to protect your Shrine, and this is a requirement by-law of your Shrine and Imperial. As soon as we get your insurance declaration page, we can send your parade sticker out to you. Remember we need the full page of declaration, not the card you keep in the glove box, which states your name, coverage, coverage limits, and dates of your coverage. Also, remember that if your insurance expires in July you will need to provide a second declaration page for the remainder of the year.

RISING STARS

Helping Our Patients Discover Their Potential and Believe in Their Dreams

Shriners Hospitals for Children® is committed to providing what we call wrap-around care. It means we maintain a family-centered approach and are concerned with our patients' overall health and well-being.

This can mean different things for different patients. It can include finding ways to help them play with their friends, enhance their education, enjoy a hobby and live more independently. The staff of Shriners Hospitals for Children is known for taking the time to listen to our patients and families, learning of both their medical needs, as well as their hopes and dreams.

First Lady Alice Smith believes that giving our patients every possible advantage and opportunity to achieve helps them to become **Rising Stars**, and she is dedicated to strengthening their incredible spirits and abilities, helping them to have full, satisfying and productive lives.

TREATING UNIQUE NEEDS

To help each child who comes to Shriners Hospitals for Children become as independent as possible, we often introduce and provide assistive devices, especially through our various therapy programs. We provide our patients with physical, occupational, speech and recreational therapy.

Assistive devices can range from items to help learn or regain the ability to walk, to computer-driven augmentations for those with speech difficulties, to items that help children learn to feed or dress themselves. Assistive devices also include mobility aids, such as crutches, walkers and wheelchairs. We can also customize the devices to fit the specific needs of individual patients. The **Rising Stars** fundraising program will support these efforts.

*The appropriate value of goods/services received is \$11.25 for bead, \$7 for star necklace, \$15 for regular tie, \$17 for long tie, \$12 for pre-tied bow tie and \$15 for self-tied bow tie. This amount is not tax deductible.

INTEGRATING TECHNOLOGY

We also use assistive technology in our therapy programs, through the availability of various systems such as body weight supported gait training and functional electrical stimulation bikes. We are also concerned with our patients' quality of life, and work to provide, or make them aware of, adaptive recreation opportunities and items to provide additional kid-friendly mobility, such as adaptive toy cars or bikes.

"We all want our children to be happy and successful," said Lady Alice. "I want to help our patients move from the Shriners Hospitals system to successful, independent adult lives."

Lady Alice invites you to join her in supporting Shriners Hospitals for Children's efforts to provide our patients with appropriate assistive devices as well as skills they can use for a lifetime. Donors may purchase a unique necktie or bow tie, a beautiful bracelet bead or an elegant necklace featuring a beautiful star, or they may make donations online. Thank you for your compassion, generosity and support of Shriners Hospitals for Children.

To us, all of our patients, and their families, are **Rising Stars**. We are proud to support the availability of adaptive and assistive technology that helps them achieve their goals and become as independent and self-sufficient as possible.
