Potentate's Comments

*Randy Weldon
2022 Za-Ga-Zig Potentate*

Welcome to May! What a month April was.

We started off the month with an Easter Egg Hunt for the kids in the morning. I believe we had 45 children attend this function and two Hospital Children. For these children, we had 3000 eggs that the Easter Bunny tried to hide. What a wonderful view seeing all that color in the green grass.

Later that day, we had an Adult Easter Egg Hunt and Bunny Hop. It was great to see those that attend get so excited that they were actually able to hunt eggs as well. We may get older, but that doesn't mean we have to grow up. After the egg hunt, prizes were distributed and the dancing began. It was a great evening.

The night prior to these festivities, the Ambassadors had their annual Pork Chop Dinner. Sadly, I was not able to attend due to a Family emergency, but those that showed up had a great meal and from what I was told, they were the World's Best Pork Chops.

On Good Friday, we had the Sportsman's Group hosting their annual Fish Fry. It was enjoyed by many and once again a good turnout.

The Zag Trax didn't want to be left out either. They worked with the Sportsman's Club and changed dates for their Chicken Fried Steak Dinner. I am not sure if Ron Bellon showed up or not, but I hear he really likes Chicken Fried Steak. Another great meal offered to our members and the public!

Then the Trikes said they would not be outdone and hosted their annual Taco Dinner. They as well put on a great meal and at a great price. Those that attended had a great meal!

As you notice, there are several meals that were hosted this month. For a very reasonable price, you can have a great meal and I promise, you won't find a meal as good as these for the price you pay here. Please, get out and support each other and enjoy a great meal and great friendship while doing so.

April 30th, we hosted the All Iowa Ceremonial. We had a great class as did the other Shrine Centers that participated. I want to welcome all the new members to ZA-GA-ZIG. Please get active and join a unit or club, you will get more out of the Shrine if you do so. If you don't see a unit or club that is of interest to you, please let me know and we will work to get a new one started.

I want to also thank the ladies that showed up for the Ceremonial and the Ladies Luncheon. I hope you enjoyed the story about the Shiner's Children's and the care we offer. Hopefully, you see that we are more than just a group that parades and have fun.

Upcoming events for the month of May include the ZA-GA-ZIG Good Vibes Races May 7th. The doors will open at 6:00pm. This is an event that promises laughter and something different. I must mention this is not a bring your own device event. We will have staff that is bringing in the entire race and operation. All devices are new and cleaned between events. Free admission for this event. If you want to race, you can purchase raffle tickets for a chance to race and there will be side bets on all races. I promise this is a clean fun event!

On May 15th, Lady Lou Ann will be hosting the Mother Daughter Tea at the Shrine Center. This is a free event for the ladies and their daughters/granddaughters. We only ask that you rsvp by calling the Shrine Center or emailing us at randyweldon@msn.com.

You never know, your friend may be the next new Noble.

Continued on next page

Pote's Notes Continued

On the 20th, the Ambassadors will be hosting their Steak Fry. I am sure they have an ad for that. You can't beat the price or what you get. They know how to cook a steak!

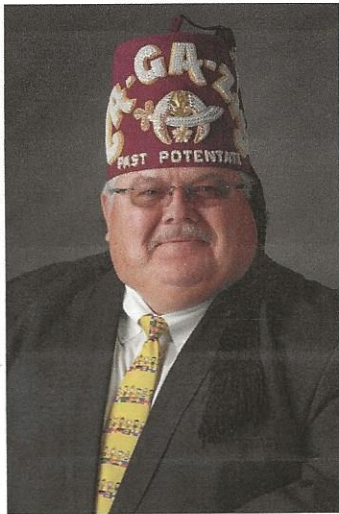

May 30th will be our annual Memorial Day service at the Masonic Cemetery. Please attend and remember those that have gone before us. Our own Legion of Honor will be hosting this.

As you can see, there are plenty of activities, please get involved and support each other and bring your friends. Most of these events are open to the public.

Shriners Children's Twin Cities

Craig Matzke, P.P.

Shriners Children Twin Cities Board of Governors

Just a quick update on Shriners Children's Twin Cities and the Blank Children's/Shriners Children's Twin Cities Affiliation.

To let you know the success of our Blank Affiliation and the great work that is being done the numbers for 2021 are:

- 3621 Patient Visits
- 1721 Referrals
- 121 OR Cases

We are also seeing increased numbers of patients in the Twin Cities also. The great thing is we are seeing more patients in more places! Your Shriners Children's is doing great things here in the Midwest.

Great things continue to happen on both fronts. Locally, YOU, have funded a Car Seat Project that was in desperate need of funds, you will see more on that topic as they are delivered. Several Units, Clubs and individuals participated in this project. This project will allow pediatric patients go home sooner from the hospital, great work and thank you!

Noble Joe White, coordinated a project with his Southeast Polk Girls Rugby Team, Blankets for Blank, I presented the Blankets to clinic staff and they were overwhelmed with the kindness and generosity.

The Annual Gala in the Twin Cities will be held June 3rd, so please save the date and if you would like to attend or support this exceptional event please let me know. Unit and Club donations, silent auction items or gift cards are always to support this event. If you would like to attend the event or sponsor a patient's family to attend, please contact me. Look for links and more information in upcoming email blasts.

ATTENTION NOBLES

If you have an address change, phone number or email change of addition.

Please notify the Shrine Office the of the change.

If you change it in WebFez yourself, the Shrine Office does not get notified when you make those changes.

Thank you!

Words from Your Oriental Guide

John Miller Jr, P.P.

Lady Sheri and Oriental Guide John Miller want to talk with all the Ladies and Nobles May 3, 2022, at 6:30 during the stated meeting. We want to share with you what we heard at our meeting with Imperial Shrine in Tampa.

"True fulfillment comes from thinking beyond yourself-everything, and everyone is relevant".

We want to find out what you value-as Imperial recommends a five-year plan

** Understanding the generations-they will make time if they perceive value.

** Empower the ladies and nobles to improve Self and Temple.

** All ladies and nobles need to be leaders.

** What new technology?

** What actions increase membership? "Just get one"

** Fun and fellowship for the ladies-nobles-families-widows.

If we don't see you on May 3rd "we will find you"

Ladies, we will be having our annual Mother Daughter Tea on May 15th. Bring your mother, daughters or granddaughters to this event. The event will begin at 2:00pm and will be held at the Shrine Center. We will have a special guest at this event. Please RSVP by May 8th. You can call the Shrine Center or email randyweldon@msn.com.

Don't forget in June, we will be having our Family Picnic/Family Night on June 18th. This will be an event for our Shrine Family and our Hospital Children.

Imperial Session is coming up in Minneapolis. Competitions will be held Saturday, July 3rd. It is a great time to connect with old friends and meet new friends.

Remember CSSA is coming up soon as well. We have booked a great hotel in Wichita that is close to other Temples.

The Ladies Trip for the Fall has been cancelled as well, the expense of the trip has made it cost prohibitive. Maybe we can get a group of ladies together and do day trips and carpool to continue the camaraderie.

Ladies, stand by your man and support him, start coming to more functions as the Shrine becomes more family oriented.

If you have any ideas for future functions for the ladies, do not hesitate in contacting Randy. He will provide the information to me and I will contact you to further discuss details. He can be reached at 515-979-0298 or randyweldon@msn.com.

PARADES

Doug Miller, P.P., Recorder

Nobles, Spring is not that far away, even with all the snow and freezing cold that we have had. This is the time to remind all of you who wish to participate in the parades for 2022 to get your insurance declaration coverages into the office. This is a necessity, not only to protect you but to protect your Shrine, and this is a requirement by-law of your Shrine and Imperial. As soon as we get your insurance declaration page, we can send your parade sticker out to you.

Remember we need the full page of declaration, not the card you keep in the glove box, which states your name, coverage, coverage limits, and dates of your coverage. Also, remember that if your insurance expires in July you will need to provide a second declaration page for the remainder of the year.

Iowa Shrine Bowl 2022

Another year of five great Recognition dinners with our football players, cheerleaders, and parents; that will be participating in our 50th game on July 23rd at the UNI Dome.

We had our recognition dinners in Sioux City, Spencer, Hiawatha, Davenport and Altoona. We were very happy to welcome to our South Head Coach Scott Heitland and our North Head Coach Steve Milder at all of these events. Several of our assistant coaches were there also. Thanks to them for sharing.

At the dinner at Davenport we got to meet our Queen for this years game Monserrat Villa-Gomez. She is a sweetheart. Our King this year is Hudson Hoefling and we are anxious to meet him and his family.

The cheerleaders and players are busy in their community selling sponsorships for our program book. Please support them as they are sharing their time and talents for our hospital children.

Most of you have received your noble tickets for the game. Please support our game. If you choose not to use the tickets pay for them return to us and they will be shared with our hospital families to attend our game. The hospital children and parents really enjoy being a part of our game.

This is the only state wide event that all four temples participate together to make it a great success.

Let's make the 50th Shrine Bowl Classic the best ever.

Children's™**

Shriners Children's™

For 100 years, our first priority has always been the children entrusted to our care. As we look toward the future, our commitment to our patients is unchanged. However, healthcare has changed dramatically, and, as we have shared with you previously, we must change our care delivery model to serve our patients as effectively and efficiently as possible. We assure you that adapting our care delivery methods does not, and will not, change our commitment to our patients and families.

As Shriners Children's expands our vision for care, the future includes caring for more kids, in more places. As healthcare has evolved from inpatient care to outpatient-focused models of care, we have already transitioned several of our locations to outpatient care models. In Florida, we have started transitioning portions of our care to local and state affiliates who complement our services locally and throughout the state.

Part of this future state includes the transition of services at the Shriners Children's facility on the USF

campus in Tampa, Florida. The planned transition of clinical services is underway, and started April 1, 2022, and will thereafter be sequenced over the next several months as we redistribute services to better align with emerging models of care. Our priority at this time is to ensure a smooth transition for all of our patients and employees.

Locally, we are working diligently on a potential care pathway to maintain a level of specialized care in the Tampa Bay region, hoping to continue our proud service here as it has been for over 35 years. Information on this potential local care path will be available soon.

The Shriners Children's healthcare system will remain headquartered in Tampa, as it has been for more than 40 years, and the Shriners Children's Genomics Institute will continue its important work at its current location on the USF campus.

We appreciate your trust and support as we continue to adapt and strengthen our health care system to meet the needs of today and the future.

Thank you for your commitment and dedication to your fraternity and your philanthropy.

Yours in the faith,
Jerry G. Gantt,

*Chairman, Board of Trustees,
Shriners Children's*

Greetings Fraternal Members of Shriners Children's Twin Cities!

Wow, what a first quarter we experienced in the Twin Cities market. Foundationally, we have stated to gain traction in how our ambulatory care clinic model is expected to operate. We have been deep in discussions with other organizations to identify how we can further collaborate in our markets to serve more children and spread our presence to align with Vision 2035. This includes getting back to our outreach location on a more regular schedule, partnering with new organizations across the market and deepening relationships with existing organizations.

Operationally, we still have challenges burdened by outdated bylaws that we need to change if we want to remain relevant and true to our mission of serving all children with the best care anywhere regardless of means to pay. This includes those children who have the financial means either independently or with insurances who want to come to Shriners Children's. Unfortunately the stigma of we only serve "free kids" is still alive and we either have children not coming here because we are not in network with their payer or are those with financial means to pay as a self-pay but do not like to be identified as "charitable" and get free care. The beauty of our system is that we can serve all who can and want to pay or cannot pay. This is the differentiator that addresses healthcare disparity.

Clinically, we have started to add services back that had dwindled during the past several years due to market dynamics and the transition we made to an ambulatory care clinic. Some of these services are cranial facial services that will initially address plagiocephaly and in the future provide surgical care for cleft lip and pallet, as well as, we are updating our ultrasound so we can do needle guided steroidal injections and we have received final approval to install our sensory space therapy equipment. Lastly, by the end of April we hope to expand services for direct community referrals to therapy (this is huge).

Finally, we are breathing a little more freely with a lighter mandatory mask policy for noble clinic/patient facing spaces. Our staff loves it! The past two years have been extremely challenging with COVID and the various aspects of wearing masks, distancing and vaccinations. The good news is that we have "weathered the worst of the storm" for now, our staff have shown exceptional resiliency and we have shown that we can do anything as a team! I personally could not be prouder of the team we have working at Shriners Children's Twin Cities.

For now, thank you for all you do as the fraternal partners in helping Shriners Children's be the preeminent pediatric orthopedic organization in the world!

Iowa State Fair ~ August 11-21

Nobles and Ladies,

Preparations are underway for golf cart operations this summer at the Iowa State Fairgrounds. We have three events that are great fundraisers for our Shrine Temple, not to mention it gives us a chance to share information about our Fraternity and the work that we do. With that being said, we have one more part required to make these operations successful. YOU, THE NOBILITY!!!

Our first event is the World Pork Expo being held June 8-10. The Expo has requested that we have more carts running this year. We are looking for drivers to fill shifts for 15 carts 8:00am-5:00pm on Wednesday and Thursday. Shifts will be 8:00-1:00 and 1:00-5:00. In addition to that, we would like to try running five carts until 8:00 those evenings. Friday's schedule calls for three carts to run 8:00-12:00.

Please contact the office 515-967-3000 to sign up. Thank you, Nobles and Ladies.

Fraternally,

Chris Hildebrand, Golf Cart Chairman

Hole in One April News

Our first outing of 2022 started with a chill in the air. Warmed up nicely by mid day and 11 teams had a great time getting the rust knocked off the drivers. Scores were spread wide with low of -10 and + 10 on the course at Toad Valley. Winners were announced for Longest Drive, Closest to the Pin and Longest Putt. First flight, first place was Team Munoz. First flight, second place went to Team Sundquist. Second flight, first place was team Leonard. Second flight, second place was team J Miller PP.

Our next date is May 22nd. Be sure to contact myself 7 days prior to that date. Late call in do not get a chance to place as the course sets tee times as soon as our teams are entered on Monday prior to the

day of play. Tee time will be 8:30 again, please be there in time to get signed in and be ready.

Our Club had to opportunity to help with the cost of the Silent Messenger out at our front drive this past month. We do this my having our golf outings make a few bucks to help out when the need arises. So, always remember, the few dollars we raise always comes back to OUR Shrine.

If you have not seen the date for the Shriners Children open on June 11, watch for it in the Footprints and the Web. If interested, this will fill up fast, so get your team called in to Steve Fedler at 515-208-9508. Total dollars to Charity side.

Keep those clubs shined up. Never know who may want to get 18 in.

2025 Destination 515 Central States Shrine Association

We are starting preparations for the 2025 Destination 515 Central States Shrine Association Ceremonial Session August 28-30, 2025. One of the highlights of every session is the Marketplace. The Marketplace will be located at the host hotel and the hub of activity for the session. We can expect 1500-3000 Shriners, family and friends to attend this event. We are in the beginning stages of building the 2025 MarketPlace, as such we want to offer Za Ga Zig members and supporters prime locations and prices to participate in the MarketPlace. This is a no obligation chance to get on the list for communication for the event and be the first to be invited to participate.

We will also have a limited opportunity for vendors and sponsors for the 2025 CSSA Business Session in March 2025 also.

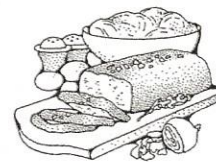

In addition to marketing your products and services, you are supporting the Fraternity! Past MarketPlace events include everything from crafts to professional services. This is the place to put your business in front of loyal and dedicated Shrine customers.

If you would like more information please contact, Craig Matzke, P.P., Director General CSSA 2025 Destination 515 In 2025
