Potentate's Comments

Randy Weldon
2022 Za-Ga-Zig Potentate

Greetings and Salutations. Happy New Year!

As I write to all of you as I complete the year as your Potentate, I am reflecting on the past year and what took place. There were many happy times and some frustrating times. However, the happy times far outweigh the frustrating times.

We had one big Ceremonial and several Cold Sands. In addition, we restored several members that had dropped out in the past for whatever reason. With the new members and restorals, I believe we are right around the number of 60 Nobles brought in or brought back this past year.

I reflect on the new friendships that have been created and the old ones that have been made even stronger. I am amazed at how many people stepped up and assisted this year and many times, without being asked. That is not only what friendships are about, but what Brothers and Nobles do.

I reflect on the parades, the journeys, Imperial Session and CSSA. Great trips with great friends.

I also must reflect on the great assistance that fellow Potentates from other Temples have provided to me. We all worked together and assisted each other as much as was needed, it is totally appreciated.

There are many people that I need to thank but if I do mention names, I am sure I will miss some. However, I do need to thank a few that have gone well above what I asked them to do to make sure this year was a success. Tom Robbins and Steve Fedler stepped up and ran the kitchen with an amazing crew to make sure we had great meals for meetings and events. I could not have asked for a better crew. When they were not available, Doug Miller stepped in to cover for them and I greatly appreciated his assistance with that and the running of the bar as well as being our Recorder. Carolyn Shannon, you are truly a saint for putting up with all of us. You kept me on track and made sure I was aware of everything I needed to be not only this year but the past couple of years as well. You would be missed if anything ever happened that you were to leave us. Kim Hartshorn, thank you for everything you did for us not only with the Footprints, but with the Circus Programs as well. Your knowledge and assistance as well as your dedication will be missed I am sure.

There is one person that I must thank more than any other person and that is my Lady Lou Ann. Our life has been devoted to the Shrine longer than we have been together. It is because of our Love for the Shrine that we work so well together and make sure that what we do is for the Shrine and the Children. Without you, I would not have been able to complete the tasks that were presented to me. I am forever grateful for not only this year, but the years prior and the years that we have in front of us. Thank you and I Love You for everything we have taken on and completed.

As with all good things, there must be an ending. As we end the 2022 year, Please look forward not only to 2023 but well into the future and remember, we are doing what we do for the children. No personal agendas, no personal gains, but for the betterment of our patients and the care that we can provide for them.

Thank you everyone for a wonderful year of memories, they will be cherished for life.

A \$200 Perspective

Paul Freeman, 2023 Membership Chairman

Originally this was not my observation. Quite a few years back, a brother Noble shared this with me, and it is truly amazing. I was not able to convince him to put it into words. Now is a good time for me to give it a shot.

The saying "membership has its privileges" holds true, especially as a member of the Ancient Arabic Order of Nobles of the Mystic Shrine.

Our yearly dues increased to \$200.00. No news here. There was a considerable amount grumbling by some, and the "oh well" attitude from others.

So, humor me for a moment and read on. Take a step back and let's ask ourselves "just what do I get for that \$200.00 a year?"

First, let's start with the unit and club dinners. How much do you spend taking your spouse and family out for a nice dinner? With inflation, the average dinner for two, with drinks and a desert, will run you an average of \$75.00 to \$100.00. Just dinner? The average is \$40.00. Yes, some pay more and some will pay less - this is an AVERAGE according to Trip Advisor.

A Unit and Club dinner is \$10.00 - \$15.00 per person and that includes a desert. We all know that our Oasis has affordable drink prices. Besides, what other restaurants can you move around freely visiting with and sitting with whomever you want? How many restaurants that you frequent offer a 50/50 or chance raffles?

So, if you attend just 4 or 5 Unit and Club dinners a year and have a few drinks, you will recoup your \$200.00 investment. Win a 50/50 raffle and it gets even better.

Do not forget the monthly meeting meals. If you attend the monthly meetings, you also get a nice dinner for around \$5.00, and "member only" drink prices.

Second, as unit and club members, you can participate in a hobby or passion that you enjoy with Nobles who share the same interests as you. There is something here for everyone. If you are not involved with a unit or club, you are missing out.

Third, the Nobility Ball. How many formal events can you attend for that price? If you simply attend the ball, at \$60.00 per couple which is what it has cost over the last 2 years, you can take in the pageantry and dancing, UNLIMITED drinks, UNLIMITED food, and fun throughout the day. This year is a bonus year, considering it is FREE to attend the ball.

We are asked to work a few circuses every year which gives us the opportunity to see the circus. Every year we have a Shrine Bowl - a day filled with a parade, hospitality and 3 days of activities that surround this annual event. We are offered discount tickets that we can do with whatever we please. Keep them for your family, give them away, or sell them. Nobles, please buy or sell your tickets! This alone goes a long way in helping us meet our financial goals every year.

Finally, and this should not have to be reminded to anyone, is that you are a member of "THE WORLD'S GREATEST PHILANTHROPY." One that at the end of the day, after the parades, fun and hoopla, we stop and realize what we do and why we are here. This alone is worth our yearly investment.

It's worth every penny of your \$200.00 investment, if you are taking in all that is offered to you.

2023 Ball Committee Update

Paul Freeman 2023 Ball Chairman

Your 2023 Nobility Ball is about 6 weeks away. A year of planning has gone by way to fast.

There are only two members on this committee, Guy Freeman and his lady Carleen, who have previously served on a ball committee. The remainder of your 2023 ball committee includes Charles Clayton and his lady Kristina, Dan Bender and his lady Michel, John Roach and his lady Michele, Lori Rickabaugh, daughter of John Rickabaugh, and Paul Freeman and my lady Marsha.

We must not forget to mention the assistance we have received throughout this endeavor from Joe White providing us invaluable details that included past budgets and spending. This information has allowed us to trim expenses and put on a ball that is entirely free to the nobility.

We also appreciate all the members of Public Relations Unit. These are the guys that set up/tear down and decorate the stage for your ball. They are the first ones to arrive and the last ones to leave. On behalf of the entire 2023 Ball Committee and the Nobles and Ladies of Za- Ga-Zig, thank you for all that you do every year!

There will be a hospitality room for those who will be staying at the hotel Friday evening. This is being hosted by your 2023 Ball Committee.

Your Potentate's Hospitality room on Saturday will be a joint venture that includes all three of the unit's and clubs that Kevin participates with The Hot Rod's, Sportsman's and Antique Tractors. The Hot Rod's will take on the responsibility of room preparation and decoration, with the other two units and clubs assisting.

Regarding the reoccurring issue that all present at the ball are Nobles or their ladies. We are not doing wristbands. HOWEVER, we are going to ensure that all people attending the ball are entitled to be there and it is a solution that is a lot less cumbersome. We are using hand stamps that are revealed

under black lights. When you come on Saturday to pick up your information, your hand will be stamped. Black lights are being provided to every hospitality room compliment of your 2023 Ball Committee.

The ink will not be visible without the black light. It will not smear on clothing, and it will not show up in photographs, unlike wristbands.

The purpose is simple - the stamp ensures that everyone who visits a hospitality room are indeed Shriners and their ladies. If you or your bartenders do not recognize someone, check the hand for a stamp. It is that simple. Any questions or concerns about this can be directed to me.

Christian Photo will be there on Saturday to take photographs. We will again have them set up in the front lobby. Were any of you aware that Christian Photo does not charge us for this service and that all proceeds from photo sales goes to the Public Relations Unit? So, consider having your individual, couples or even group photographs taken to support the Public Relations Unit.

Don't forget to sign up for Sunday morning "EYE OPENERS", breakfast and presentations. The buffet style breakfast is \$25.00 per person and all those who attend will have an opportunity to win a door prize, courtesy of your 2023 Ball Committee.

We will have a final update in the February *FEETPRINTS*.

Hillbilly Clan #112 News

Paul Freeman, Rabaan of the Clan

As you should be aware, we have ourselves a parade vehicle. The picnic table is finished and finished REASONABLY. The replacement treated wood was donated, as well as the labor to rebuild the transmission and tune it up. A new starter was needed. A tire, battery, custom built hitch, seat and new muffler were also donated. It is parade ready for 2023.

Now, we have a float that was donated to us. P.P. Randy Weldon has donated one of the original Train Crew trailers to Hillbilly Clan #112. He has only one stipulation- that it gets out to the parades with hillbilly poppas and mommas riding on it.

This too can be made parade ready at a reasonable cost. The decking has been donated. We

are in search of old barn wood to make a collapsible outhouse. A collapsible outhouse will make it easier for us to move the trailer down the road. It was also suggested to use the outhouse as an actual functioning outhouse at parades- for those of you who have had to "hold it" at parades can appreciate having bathroom to use.

There is room on this trailer to load the picnic table and take it to the parades as well as the float. A few members ride on the picnic table and some on the float. This way we will only need one vehicle to get both to a parade.

What we need is a few members to help finish the float and help get it to the parades. One or two weekends and its done. If you can help or would be willing to pull it in a few parades, contact me at burtonsbuddy@yahoo.com.

Membership Challenges

Paul Freeman, 2023 Membership Chairman

I am honored to be your Membership Chairman for 2023. Your Assistant Membership Chairman is Andrew Willson.

Andrew approached me about serving when I sent out an email to all new Nobles created over the past 5 years asking for volunteers. When I spoke to him about our vision and challenges that we face going forward, he expressed a passion and drive that was exactly what Kevin and I had a few years back.

26 years ago - that his is when I first met Illustrious Sir Kevin Trevillyan. We go back to 1997 when he served as Samsar and I served as his Assistance Samsar under Ill. Sir Dwayne Jensen. Even then we faced the same challenges we do now with membership. We have to RESTORE, RETAIN, and CREATE. Remember those 3 words - RESTORE, RETAIN and CREATE. You will be hearing and seeing them constantly.

With the help of several volunteers that included new members, existing members and Past Potentate's, we had a successful 1997 and 1998. We had a net GAIN those 2 years. We RESTORED, we RETAINED and we CREATED new Nobles.

So, this challenge is not new to me. Andrew and I know what needs to be done. We all know what needs to be done. The approach of doing so may have changed over the years, but the importance and end result remains the same.

Before I forget, thank you to all 1000+ nobles out there that are also newly appointed to the membership committee. It is naive to think that only a handful of people should take on this challenge. All of you can do your part to help RESTORE a noble that has been dropped. Help to RETAIN a member in the process of being dropped or considering dropping because he is not participating or does not see the benefits of being a Noble (all of you TOP LINE SIGNERS, don't leave these guys hanging out there after their initiation. Follow up and mentor them through.) Help to CREATE a new Noble by simply talking to someone you know.

We all see what is happening with our membership numbers. We see the declining attendance at our unit and club dinners, meetings and events. A few minutes on the phone calling a member that you know but do not see and inviting him to an event could go a long way in getting him more involved and helping us to turn the corner.

Now, for those of you inactive or less than active that I just described, grab your lady, family and friends and come out to the dinners and support the unit and clubs fundraising events. Attend a monthly meeting. Vote and let your voice be heard. Bring to the nobility your thoughts and ideas. It is your fraternity and is your temple so participate. Work a few shifts at the circus and join a unit or club. You are missing out on what this philanthropy has to offer besides the hospital program for our kids.

Antique Tractor Club

Scott Wilson, President

Hey there one and all, we here at the Antique Tractor Club would like to give you the sincerest greeting of the year that we can. The 'Scary' days are over, and the 'Feasting' Days are about to begin.

The 'Trunk-or-Treat' seemed to turn out as a very nice success. Lots of candy, lots of kids, and the dentists will all be pleased. But everyone left with a smile. We would like to give a big THANKS to Ted Griffieon for bringing one of his tractors to the event for display.

The Antique Tractor Club is preparing for the season and securing all the tractors for the winter, and for whatever demands for which we need them. . .

Like all the other units and clubs, we had our elections for officers. As it turned out, the same officers were elected to continue their offices. President, Scott Wilson; Vice-President, Ted Griffieon; Secretary, Larry Davis; and Treasurer, Mike Modlin.

We had our club's Christmas party at Griff's Valley View RV Park in Altoona, owned by Ted and Carrol Griffieon. 17 members and their ladies were able to attend the event. The meal of cavatelli, chicken alfredo, salad, appetizers and tiramisu for desert was provided by John Roach at Sam's Bar & Grill in Altoona.

As we travel into the new year, let us all remember to include those we cherish and those who have passed, in our prayers. And to give a little extra consideration to those who may not have quite the opportunities or resources that the rest of us may have to share.

With that, we here at the Antique Tractors Club, would like to wish everyone the best of the new year coming upon us, and may we all act appropriately.

The members of the Za Ga Zig Clown unit would like to take this opportunity to wish all of our Shrine brothers and their families a blessed and productive 2023.

The clowns had a very busy December as they were invited to entertain at several private Christmas parties as well as the Hospital Dad's Christmas party at the Shrine.

Our unit's annual Christmas dinner and white elephant exchange occurred on

Saturday December 3rd at the Iowa Beef Steak house. Those in attendance had a wonderful dinner and a evening of good cheer and merriment.

Next up the Royal Hanneford Circus Jan 27, 28 and 29 2023. The next several weeks we will be fine tuning our skit. We also will have to prepare our clown tee shirts for distribution during the performances

By the way if you have not yet purchased your 2023 Clown Circus shirt there are still many adult sizes available. Just reach out to one of our members and they will hook you up with a great keepsake of the 2023 show.

We are looking forward to seeing you all at the Circus.

Some Housekeeping Items

Paul Freeman 2023 Director of Units and Clubs

I look forward to assisting all of the units and clubs at Za-Ga-Zig in 2023. Your area coordinators and I are here to assist you whenever and wherever possible. You will be hearing from us via phone, text or email throughout the year.

There are two key points that need to be addressed:

First- get your Activity Fundraiser Approval Forms sent into the office for your unit and club fundraising events for 2023. I hate paperwork as much as the next Noble, but these are required to be on file at the temple office and approved by the Potentate prior to your fundraising event taking place.

Second- if you have not reviewed and updated your unit and club by-laws, now would be a good time to do so. This should be done every few years. If you are a parade unit, have you made exceptions regarding vehicles? Did your unit or club merge with another? Are you foregoing probationary requirements? Any changes should be amended, approved by the members, signed by the Potentate and on file with the temple office. Don't be caught in a bad situation and make certain that all members have signed copies of your current unit and club by-laws.

40 passengers travel: \$2725.00 per person, based on 2 sharing a room

30 passengers travel: \$3620.00 per person, based on 2 sharing a room

IMPORTANT: If the group falls below 30 people this will be moved to a SHARED tour and pricing could adjust accordingly.

Only 10% of the guests can be Singles/Triple. Anything over that would need approval before we could confirm.

Single Passengers would add \$805.00

Triple Rates would decrease approximately \$200.00 per person **Airfare to/from Boston is NOT yet included.**

If people have old credits, points or miles, they are welcome to use them for the airfare.

If people need assistance with airfare, we can certainly help with that when space opens (opens around early Nov 2022) We do have a \$30 fee per person for every ticket issued.

Trip Insurance is approximately \$249 per person and would be collected with the traveler's deposit. This would be for the LAND package and will not cover the airfare.

Pre- or Post- Nights in Boston

Any travelers that might want to come in a day or two early or stay a day or two later, we can request space at the same hotels. Pricing and availability are subject to availability, please reach out to Michaela for details.

Payment Info:

November 2022 Ceremonial

2022 DUES ARE DUE JANUARY 1

Nobles, we are thru 2022 and as of this writing we still have members who have not yet paid their 2022 dues. My question is why? You have received a notice from Imperial. Dues are always due on January 1st each year. We are one of the best Philanthropies in the world to belong to. We are well respected, we do well for the kids, communities and ourselves. But your Shrine can't pay our responsibilities without your dues. And something else you might not know. We are now paying for everyone at Za Ga Zig to

Imperial. And if we do not get your dues your Shrine still has to pay your assessment.

Also remember to pay your Blue Lodge IF your Blue Lodge dues are not paid and they report it to my office; then I will be forced to drop you from the Shrine. That is a Grand Lodge bylaw and nothing I can do about it.

If for some reason you are having financial problems in paying please contact me, so we can work something out. We have avenues to assist; we should never lose anyone to non-payment.

Doug Miller PP, Recorder
