Potentate's Message

Kevin L. Trevillyan
2023 Za-Ga-Zig Potentate

Can you believe it is already May? As the saying goes, "Time flies when you're having fun". Spring is here and that means that parade season is just around the corner. Be sure and check the weekly E-blast and FeetPrints for the parade schedule. Our Parade Marshall Joe Vincent will be updating this as he becomes aware of parades throughout the Za-Ga-Zig territory. If there is a parade that you are aware of, that is not on the schedule, please contact Joe and he will get it on the schedule. I encourage our parade Units and Clubs to participate in as many of these parades as possible. It is a fun way to show the general public that Za-Ga-Zig

Shrine is active and involved in our communities.

I appreciate all of our members that have brought new members into Za-Ga-Zig this year. As of April 1st we have created 9 new nobles, restored 14 and affiliated 1. It is great to see this increase in membership. Let's keep the momentum going!

I would like to thank everyone that has attended the dinners that our Units and Clubs have had these past 4 months. If you have not yet been to some of these dinners I encourage you to come out and enjoy some great meals.

We will be having a Stated meeting on May 2nd. This was changed from a Nobility meeting due to the need to report out on the 2022 year end review. The auditing firm did not have the report ready for the April Stated meeting so we will be having this report in May. Dinner will be at 6:00 and the meeting will start at 7:00. [Our ladies are invited to join us for dinner and then they will be heading out to socialize while we have our meeting.](#)

On May 6th we will be having a Kentucky Derby Party. Doors will open at 3:00 p.m. and the party will be from 4:00 p.m. to 8:00 p.m. This will be a free event to attend. We will have food throughout the day. We will be having the Horse Races that the Hot Rods have previously conducted. These races are a lot of fun. If you are not familiar with the horse races, there are six toy horses that will be auctioned off and then each "owner" will roll two dice. One is for the number of the horse and the other is for the number of places that horse will move down the track. \$1.00 bets can be placed for the horse that you think will cross the finish line first. The person or persons that picked that horse will split half of the money that is wagered on that race. The final race will be the owners race. The person that owns the winning horse will split half of the money that was raised during the auction of the horses. We will take a break around 5:30 p.m. to watch the Kentucky Derby. If you want to come in Kentucky Derby attire that will be great. This will be a fun event that you will not want to miss.

There are several events that will take place in May.

The 6th will be the Kentucky Derby Party.

The 14th is Mothers Day.

The 20th is First Lady Cindi's Birthday.

The 20th will be the Ambassadors Steak Fry & Hypnotist Show.

The 23rd will be a Mini Ceremonial

The 27th will be the Hillbilly Degree

The 29th Legion of Honor Memorial Day Service

Please come out and support these events.

Please check the calendar in the back of the Feetprints for more events. If you have any questions, please contact me or any Divan member.

Here's to a great year at Za-Ga-Zig Shrine!

HELP! Needed

By Paul Freeman

If you have been reading the last few issues of our *FEETPRINTS*, you should be aware of how important I feel about history, especially that of my own temple. I am certain that there are members or their ladies within our temple that have newspaper clippings, mailings and even old copies of our *FEETPRINTS*. Do you have anything that you are willing to share?

Photocopies or scans of articles, photos, mailings- whatever you may have. If you are willing to loan them to me, I will do the work and return them. If you would prefer to copy them, I can pick them up or you can email them to me @ burtosbud-dy@yahoo.com.

One more request- are there any nobles, ladies or family that would be willing to assist with this endeavor? I have been given the nod to assemble a committee of people to assist with this task, a "HISTORY & ARCHIVES COMMITTEE." This committee will assemble and organize our artifacts and treasures of the past so that it can be viewed and shared with Shriners, family and friends. I think this committee should also offer monthly content for the *FEETPRINTS*.

Please call, text or email me with anything that you may have and if you are willing to assist

Blacksmith Gathering at The Shrine

By Charles Clayton
Photos on Front Page.

On April 15, the Za-Ga-Zig Shrine partnered with Atlas Knife & Tool to host an "intro to bladesmithing/blacksmithing" class that was open to the public. The event was a huge success, with 16 participants including 6 shriners taking part, including two father/son groups. The participants were given the opportunity to forge their own railroad spike knives with the help of six volunteer instructors.

Atlas Knife & Tool brought several thousand dollars worth of tools to the ZGZ grill shack and set up four workstations, each with a forge and anvil. The instructors guided the participants through the process of creating their own knives, and each participant was able to complete their own railroad spike knife. The knives were then sharpened by one of the instructors, and the participants were able to take their creations home with them.

The father and son participation added an extra level of family bonding to the event, making it a memorable experience for all who attended. Through the process of forging their own knives, they were able to strengthen their relationship while learning a new skill under the guidance of skilled instructors.

Overall, the class was a great way for the Za-Ga-Zig Shrine to partner with a local business and provide a unique learning opportunity for its members and the public. The railroad spike knives that were created are not only functional but also serve as a reminder of the skills and knowledge that were gained through this experience.

Words from your Oriental Guide

Brad Cosner

Melinda and I would like to thank everyone who assisted with the Easter Egg Hunt. We had a great group of people who came and helped us stuff over 2,000 eggs for the children. We had units and clubs donate money, candy, and their time to help us. The weather didn't completely cooperate with us but the children had a great time and that is what is most important.

Next we are working on the plans for the Family Picnic. Make sure to mark your calendars for June 3rd. This will be a fun family event with lots of activities and fellowship!

The temple is planning a lot of fun and exciting events this year. Please try to attend as many as you can. We would love to see you there!

Attention Ladies

We are looking for ladies who are interested in joining the Ladies Auxiliary.

Meetings are held every other Wednesday, generally at 9:00 am.

We are now adding a monthly evening meeting. It will be the second Wednesday of each month starting at 6:30.

The first meeting will be May 10 at the temple.

Dues are \$5.00 yearly.

2024 Circus Chair

We are seeking a volunteer to be the circus chair for 2024.

The contracts are signed and we are ready to move forward.

The biggest need to be the chairperson is having time to be the chairperson. There are many nobles that make up the committee. You can take on as much responsibility as you want, or delegate as much as you want.

You will be expected to work with the Potentate and the Divan. We are here to help with anything we can. We ask that you remember that you will represent the Nobility, the Temple, and the Shrine center. It is expected that you can present yourself in a professional manner at all times.

Please reach out to me with any questions.

Thank you.

The Tradition Lives On

By Ruffee the Clown

The Za Ga Zig clowns are looking for a few good men to carry on the tradition of our beloved unit. Like many of the Shrine's units and clubs we are experiencing a loss of members due to age and illness. When someone signs up to join our unit, they are put on a probation period for one year. During that time, they are taught the basics of clowning such as costume creation, makeup, balloon making and other secret clown stuff. They are asked to participate in as many clown events as possible including parades, back to school nights, picnics, and other fundraising events. After the year is completed, the candidate is eligible for regular membership.

For the life of me I cannot think of any Shrine unit that affords their members the opportunity to have so much fun while making others smile. Our clown unit is probably the most recognizable Shrine unit in our community. We strive to represent our fraternity in its best light.

If you are curious about membership in our unit. Please talk with any clown that you might know or call the Shrine office for a unit contact.

Cheers

Ruffee

Shriners Community Volunteering Guidelines

As a group of men committed to fun, fellowship, and philanthropy, Shriners are in a unique position to make a difference in their local community. In volunteering their time and talents, Shriners engage with their neighbors, have fun, and support areas that make a meaningful difference within their communities. Unfortunately, the number of temples, clubs, and units volunteering in their local communities has declined over the last decade. A major reason for this is related to confusion about accepted local activities and levels of support.

That's why we are sending a short reference, a cheat sheet of sorts to help nobles plan or join in community events with confidence. This Community Guidelines document, collected from sources including Shriners General Order, Bylaws, and existing fraternal processes, will help you quickly find information to help your nobility support your local community.

Volunteering in local communities offers tremendous benefit to advancing temples, clubs, and units including:

- **Recruitment:** Interacting with the community provides the ideal environment for nobles to talk one-on-one about why others should join the fraternity.
- **Retention:** Nobles find joy, pride, and satisfaction when given the ability to give back to their local community in meaningful ways.
- **Awareness:** Volunteering offers a solid opportunity to utilize word-of-mouth marketing and local media outreach to increase promotion of:
 - o **Shriners:** e.g.: All the great elements of the fraternity including Fun, Fellowship, Philanthropy, Family, upcoming events, etc.
 - o **Shriners Children's:** e.g.: The great work the hospital pursues and how the patient referral system works.

CENTRAL STATES SHRINE ASSOCIATION

CSSA 2023

I am writing to invite all Nobles and Ladies to attend the 2023 Central States Shriners Association in Omaha on August 31st to September 2, 2023. This event is a great opportunity to see what Central States Shrine Association is all about, and Omaha is conveniently close to our hometown.

To make this event even more accessible, we have secured a block of rooms at the Tru Hotel in Omaha. As we get closer to the event follow the email blast and Footprints on how to reserve your room and sign up to attend the events at CSSA.

This event is more than just a chance to have fun and participate in exciting activities. It is also a great opportunity to network with other Shriners from across the Central States region. You will be able to learn from their experiences, share your own knowledge, and build relationships that could last a lifetime.

In addition to networking, there will be plenty of events to participate in or just attend. From the opening ceremony to the closing banquet, you will be able to experience the best that CSSA has to offer. And for those of you who are interested in competing, there will be a number of competitions and contests that you can take part in.

But there's another important reason why we are encouraging all of our members to attend the 2023 CSSA in Omaha. As you know, in 2025, the event will be held right here in our hometown. By attending this year's event, we will be able to gain valuable insights into what it takes to host a successful CSSA event. We will be able to see first-hand how other Shriner temples operate, and we can bring those best practices back to our own organization.

So I urge all of our Nobles and Ladies to attend the 2023 CSSA in Omaha. This is an opportunity that you won't want to miss, and it will help us prepare for the 2025 event in our own backyard.

Fiscal Responsibility

Clif Coker
2023 Assistant Rabban

As a member of the divan, I am proud to share with you our commitment to being fiscally responsible. This means that we take our responsibility to manage our resources wisely and effectively very seriously.

One of the ways we ensure fiscal responsibility is by regularly reviewing all contracts with vendors and service providers. This allows us to identify any areas where we can reduce costs without compromising on the quality of services we receive. By doing this on a recurring schedule, we can stay on top of our financial situation and make informed decisions that benefit the community as a whole.

Another way we promote fiscal responsibility is by asking every Noble to support our fundraising activities. We encourage everyone to get involved and contribute to our fundraising efforts in whatever way they can, whether it's by making a donation, volunteering their time, or spreading the word about the World's Greatest Philanthropy.

As the divan, we take pride in being responsible stewards of the resources that have been entrusted to us. We know that by working together and making informed decisions, we can continue to make a positive impact in our community for years to come.

Outdoor Extravaganza Raffle

By Joe White

This event is quickly becoming one of the largest fundraisers for Za-Ga-Zig and we are excited to announce this year's event will be even bigger. A new venue, more prizes, and a ton of stuff to give-away! The committee is already working to make sure this year's event is the best one yet. Speaking of our committee...we are looking for some additional volunteers. As the Extravaganza continues to grow, so do the responsibilities. If you have a love for outdoor sports and would like to get involved with our raffle, please contact Joe White at 515-971-1827 or just come to one of our meetings. We meet the second Thursday of each month at 7pm. We hold our meetings at the Za-Ga-Zig Shrine Center, because we have really awesome mugs that get us free beer and cheap drinks!
