Potentate's Message

Kevin L. Trevillyan
2023 Za-Ga-Zig Potentate

I want to thank the Sportsman's Unit for hosting the First Annual Potentate's Trap Shoot on June 10th. This was such a great event and the weather was perfect! It was held at the Marshall Gun Club in Marshalltown. There were 22 people that attended and everyone had a great time. A special thank you goes to Paul Freeman, Logan Kelley and John Roach for organizing this. Todd and Tim Kelley with Kelley Technical Solutions provided the pork for lunch. It was such a great event that they decided not to wait until next year, so they are already planning another Potentate's Trap Shoot on October 7th. Be sure and put this on your calendar.

We had a great turnout for the family picnic that was held last month. Although it was a little warm that day at least there was no rain. A big thank you to Brad and Melinda Cosner for heading this up. I also want to thank Ted Griffieon for providing the wagon that was pulled behind Rolland Kouski's antique tractor and gave rides to a lot of excited kids and adults. Thank you also to Danny and Michele Bender for bringing their Zag Trax and allowing people to drive it. I really appreciate our Shrine Clowns for being there to make balloon art for the kids. John Roach provided some yard games and we also had the Calliope playing for a little musical entertainment. As always, John Roach and his crew provided some great food.

Thank you to everyone who drove golf carts at the Pork Expo. Good Guys Car Show is June 30, July 1 & July 2. If you have not yet signed up to drive please contact the office. The IA State Fair golf cart operation will take place August 11 - 20. Please contact the Shrine office (515-967-3000) or Chris Hildebrand (515-202-9796) to get signed up to drive. These are fundraisers for our Shrine. If you are not able to drive an entire shift we still need your help. Contact Chris about helping even for just a few hours.

The 149th Imperial Session will be held in Charlotte, North Carolina July 2nd to 6th. Your elected representatives (Potentate, Chief Rabban, Asst. Rabban and High Priest & Prophet) will be voting on proposed legislation that will impact everyone. We take this responsibility seriously and we will keep all of you in mind as we cast our votes.

The Iowa Shrine Bowl Game will be held on Saturday July 22nd at the UNI Dome. I look forward to seeing everyone in Cedar Falls that weekend to support this great game and fundraiser for Shriners' Children. The parade will begin at 9:30 a.m. Kickoff for the game is at 4:00 p.m. The Shrine Bowl Club will welcome the help of anyone that weekend. Contact Rory Hansen or any Shrine Club member to offer your assistance.

There are several events that will take place in July.

2nd - 6th Imperial Session

3rd - Directors Staff fireworks parking lot event

7th, 8th & 9th - Pork Expo Golf Carts

Blast From the Past - 1933

By Paul Freeman

Going back in Za-Ga-Zig Shrine history to the year 1933.

The Great Depression- 1933 was one of the worst years during this downfall. President Franklin D. Roosevelt declares a "Bank Holiday", closing all US banks and freezing all financial transactions. The holiday was ended on March 13th.

The stress of this financial strain took a psychological toll, especially on men who were unable to provide for their families. The national suicide rate rose to an all-time high in 1933. Marriages became strained, though many couples could not afford to separate.

The Civil Works Administration creates temporary construction jobs as part of the New Deal. High unemployment was a worldwide phenomenon, not just happening in the United States.

FEB 2 1933

Nobles of Za Ga Zig Shrine temple inspect some of the donations which were admission price for a stag benefit Thursday night. Left to right: Jack Hemmel, Art Alexander, Frank Saborin and Potentate C. E. Crowell. More than a ton of imperishable food was collected for use in Elizabeth Kitchen maintained for needy women and girls by Des Moines Women's Relief association.

At Charity Football Game NOV 3 0 1933

At football game played Thanksgiving day for Community Christmas, Inc., to aid needy. C. E. Saverude, little Fred Crowell and Charles E. Crowell, Shrine potentate.

First Food for Benefit APR 13 1933

Potentate C. E. Crowell (left) and Recorder C. C. Nye of Za Ga Zig temple Monday received the first donations of food for the Shrine benefit Thursday night.

Baskets Ready

Shriners were hunting bushel baskets and containers Monday for the expected food at the benefit wrestling and boxing program at the Shrine temple Thursday night.

Packages or sacks of nonperishable foods will provide admission for anyone. All food will be given the Des Moines Women's Relief association for use in its soup kitchens. The Valley Junction High school band will play.

DEC 25 1933

Dressed in Shriners' costumes, these dolls were the special charge of Charles E. Crowell, Shrine potentate, who headed the program committee of Christmas, Inc., when toys were collected for the needy children.

The repeal of prohibition in the United States allows 3.2% beer and wine sales when the 21st Amendment is passed. Strong winds strip the topsoil from drought, affecting the Midwest farms what became known Dust Bowls.

Also in March 1933, the German Federal election results gives the Nazi Party 43.9%, forcing Albert Einstein to emigrate to the United States.

Obviously, the Great Depression had an impact on Za-Ga-Zig Shrine. For those fortunate enough to maintain their membership, there seemed to be a focus upon helping those in need. It did not matter whether they were our kids- Za-Ga-Zig Shriner's stepped up to help pull those less fortunate members of our communities through another day with food drives and toys for children at Christmas.

YOSHI

The Young Shriners Club

It seems like a lifetime ago, but it's only been only 36 years!

In 1987, Illustrious Potentate Sir Don Porter resurrected the Za Ga Zig Young Shriners Club,

rechartered with the help of the guys in this photo from the Feet Prints of that year.

Left to right in the photo are Rick Atterbury, Jack Stone, Joe Peccia, Paul Carey, Al Schmitz, Sir Don Porter, Steve Richey, an unknown Shiner, Dutch Koch, and Rich Gill.

The Young Shriners Club was designed to be kind of an on-ramp for new and younger Nobles into the activities of the Shrine. We hosted many parties

at the Shrine's "Tin Shed" way out on University; at PP Dick Heiken's exotic animals barn on Army Post Rd, and at the brand-new Shrine Temple in Altoona.

A few of these included an annual Barn Dance and Barbecue, a Hawaiian Hog Roast, a "Luck of the Irish" St. Patricks Day party, a

Murder Mystery Dinner Theater, and Comedy Club events.

The Club later hosted around 400 friends annually at a "Gentlemen's Smoker" for many years.

In 2019, the YOSHI Club was rechartered as the Za Ga Zig Sheikhs Unit, and has continued our participation with Circus sales, Onion sales, Golf Carts at the State Fair,

and our popular hospitality suite with our friends, The Diplomats, at the Potentates' Ball.

If you're a new Noble who'd like a "low impact" start to fun at the Shrine, shoot me an e mail at d.koch@kochofficegroup.com, or give a call or text at 515-681-7895, and let's talk!

A New Beginning

Public Relations

Za-Ga-Zig's Young have formed the "Young Shiner's" Club. The Club started on May 29th, 1987, with a big bang at Shiner's Park with a dinner and dance. The officers are: President Paul Carey, Vice-President: Jack Stone, Secretary - Steve Richey and Treasurer - Al Schmitz.

Other Young Shriners are also pictured here with Illustrious sir Donald R. Porter, who fully and wholeheartedly endorses and supports this Club.

All members of the Elected Divan and the Trustees who are supportive and present were: Orville Bellville, Chief Rabban; Dick Heiken, Assistant Rabban; Walt Pickett, High Priest & Prophet; Dale Smith, Oriental Guide; Ken Hall, Treasurer; Roy Robbins, Recorder; Dick Manning and Herry Ilcken, Trustees.

Numerous Past Potentates, current and past officers of the Temple were present for the initiation of this great new Club. The food was outstanding! The entertainment was furnished by Maury Goode and the Country Boys.

Illustrious Sir Don Porter with a group of the members from the newly formed "Young Shiner's Club" at the Dinner & Dance on May 29 at the Activity Building

An all out auction was conducted by Jack Stone assisted by the Illustrious Sir and the other three officers of the new formed Club.

The Baptism was attended by approximately 100 Nobles and Ladies. I am sure the next one will be better attended, once the word gets out.

We need to support this Club and let's all, young and old, help make this Club a success.

**We Must Find a Balance
Between Tradition and Progress**

By Paul Freeman

“This is how we have always done it.” “We have always had this event on these dates.” “We tried that ONCE and it didn’t work.” Be honest, how many times have we heard these words, or how many of you have uttered these words?

The meanings of these two words are basic and simple. TRADITION = PAST and PROGRESS = TO THE FUTURE. TRADITION is conservative in the sense of keeping things the same, PROGRESS is radical in the sense of reforming the way things are done. Every generation has been engaged in this battle for centuries. Fraternities such as ours are no exception.

Progress that is ruthless, aggressive and destroys traditions or poses a threat to, has to face stiff opposition. On the other hand, traditionalists and the “old way of thinking” members must be open minded to changes that enhance and inspire participation with our progressive membership, WITHOUT DESTROYING the traditions we hold dear. Tradition cannot be an obstacle to new ideas no more than progress should be a wrecking ball to our very foundation.

Shriner’s values and ideals are and will forever be important, because without them, what are we? Our fraternity, like many others, is deeply rooted in TRADITION. It is a testimony to our culture and society and is not meant to be erased.

Progressive thinking brings modernization, new ideas and awareness in ways that tradition cannot. It reaches out in ways never before considered and opens the door to those quality members of our communities whose participation will enhance our membership and continue our traditions.

We have to find a way to merge these two dichotomies. There is a halfway- tradition has to regroup and absorb progress while at the same time progress must keep in focus the tradition that made us what we are.

It’s possible, if we are willing to compromise and have the conversation. It cannot be about whether traditionalists or progressives come out on top, but rather what are we doing to promote the best interests of our fraternity that continues growth, strength and prosperity. This battle must be addressed and compromised for obvious reasons.

Embracing the Power of Humble Leadership

In our journey as leaders, we often find ourselves inspired by extraordinary individuals who possess the remarkable ability to lead with humility. Humble leadership, a trait we deeply admire, has the power to transform teams, foster collaboration, and inspire greatness within our organization.

So, what exactly is humble leadership? At its core, humble leadership is a selfless approach to leading others. It is a philosophy that puts the needs and achievements of the team before personal recognition. Humble leaders embody traits such as active listening, empathy, a willingness to learn from others, and a profound commitment to creating a positive team culture.

Leading by example is a fundamental aspect of humble leadership. These leaders understand that actions speak louder than words. They exhibit genuine humility through their behaviors and decisions. Whether it's acknowledging the contributions of Nobles, admitting mistakes, or being open to feedback, humble leaders inspire those around them to do the same.

The benefits of humble leadership are numerous. By creating an environment where Nobles feel valued and heard, humble leaders cultivate a sense of belonging and commitment. They empower individuals to reach their full potential, fostering an atmosphere of trust, collaboration, and innovation. Ultimately, this results in increased engagement, improved productivity, and a more resilient organization.

Nurturing humble leadership skills requires both self-reflection and a commitment to growth. Start by examining your own leadership style and identifying areas where you can incorporate more humility. Actively seek feedback from others, as their perspectives can provide valuable insights. Embrace a mindset of continuous learning, realizing that even as a leader, there is always room for personal and professional development.

In conclusion, humble leadership holds immense power to create a positive and thriving work environment. As Nobles within Za Ga Zig Shriners, let us strive to embrace this philosophy, not only for the benefit of our Nobility but for the betterment of our entire organization. Together, let us lead with humility, inspire greatness, and leave a lasting impact on those we have the privilege to serve.

Wishing you all continued success on your leadership journey.

Words from your Oriental Guide

Brad Cosner

First I would like to say a big Thank You to everyone who attended the family picnic. It was definitely a hot one but it was a great day for fun and fellowship. Also, thank you to everyone who helped put the event together.

Summer is officially here so that means we are into parade season. Parades are a great way to get our name out into the public. If you know of a parade that is not on our list please reach out to a Divan member or the Parade Marshall.

You may have been seeing information on meetings for CSSA 2025. I know 2025 seems far off but there is a lot of planning and a lot of work to be done to be ready to host CSSA. Please consider attending the meetings so you can be a part of this awesome event. Both nobles and ladies can attend these meetings and we would love to see you.

I just want to encourage you all to be involved. I know that life can get busy, especially this time of year. Please try to volunteer where you can or attend parties and events. If you have ever attended an event and think it would be fun to help plan it just reach out. Committees are always looking for helpers. Keep in mind - The larger the attendance the better our temple is going to be.

Preserving our History Has Begun

By Paul Freeman

A few weeks back a box of items was left at the temple. In this box was a fez, books, wall art, jewelry and more. A box containing our history, and that of a beloved Noble, was not just tucked away in an attic or basement somewhere.

What I appreciate the most about this gesture is that someone is reading the articles in the *FEETPRINTS*. It is refreshing that someone else thinks that our history and tokens of our philanthropy are worth preserving. Thank you!

We are still looking for anyone that would be willing to create a committee dedicated to the preservation of our history. I have approached the Illustrious Sir about creating a "library" in one of our meeting rooms. Books, magazines, artwork and so on can be put on display and nothing would leave this room.

No final decision has been made, but indications are that we may be able to come up with something.

How and When to Salute the Flag

A noble who is wearing his fez will execute a right hand salute when the colors are within six paces of him.

He will not remove his fez. After the colors have passed, he should drop his right hand.

A noble who is not wearing his fez places his right hand over his heart instead of the right hand salute.

In an auditorium or stated meeting, he should hold the salute until the colors are posted after the pledge of allegiance and/or playing of the national anthems.

Attention Ladies

There are a couple of opportunities for friendship and fellowship with the Shrine Ladies.

1. There are two times that the Ladies Auxiliary meets. Traditionally meetings are held every other Wednesday, generally at 9:00 am.

Now there is a new time established for everyone that is not available during the day but would still like to join this group of Ladies. This meeting is on the second Wednesday each month at 6:30 pm. Next meeting will be held on July 12th at the Temple.

We are looking for ladies who are interested in joining so please come and check us out. If you decide we are a group for you, the annual dues are ONLY \$5.00.

2. The second opportunity for friendship and fellowship is every Stated or Noble Meeting.

Come and join us for a meal that is lovingly prepared by the Nobles. Afterwards, while the Nobles are having their meeting, we carpool to a restaurant or a bar for drinks and a wonderful time.

So far we have sampled Brick & Ivy, Fireside Grille, Burger Shed and Johnny's Italian Steakhouse.

Come join us at the next Stated Meeting dinner on July 11th at 6 pm and then we will be off to the next adventure.

Looking forward to seeing all of you there!

SHRINE PROTOCOL

Units & Clubs

We are often asked by the leaders of Clubs and Units about Protocol. The term, "We'll play it by ear" is often applied to different situations, but your program, parade, party, meeting, etc., will be much better if you are prepared and use the proper protocol rules of your Temple. The Potentate requests Protocol be adhered to in all Club and Unit activities. The following should be your guide.

Invitations

Invitations to the Potentate and members of the Divan should be sent to the Shrine office. Be certain that in your invitation you spell out the type of dress to be worn, the cost if any, the time and place of the event and if RSVP's are desired. Also, in all invitations, specify "WEAR YOUR FEZ!"

Official Greeting of Divan Members

If you, as the Head of the Club or Unit, cannot be at the door to officially greet the Divan, be certain that you assign some other Officer of your Club or Unit to extend this courtesy. Most important, assign someone who will be able to introduce the invitees to the members of your Club or Unit. This rule should be applied to your regular meetings as well. Most of all, do not forget the Ladies. The Ladies of the Divan may be making their first visitation to your Club or Unit and some provision should be made by your wife, or the Lady assigned to act for her, to make proper introductions of the Divan Ladies to Ladies of your Club or Unit.

Seating Arrangements

Providing there is ample room and a large enough table, it is proper to honor the Potentate, Divan and their Ladies by seating them at the Head Table. If not, reserve a table to accommodate the Divan close to the Head Table. However, the Potentate is always seated at the Head Table to the right of the Center of the Head Table.

Introductions

Do understand the proper procedure with respect to the introduction of the Potentate and Divan. The Potentate should always be addressed as Illustrious Potentate or Illustrious Sir and the other members of the Divan as Noble Chief Rabban, etc., with the exception of Past Potentate Smith or Illustrious Sir Jones.

Order of Speaking

The businesses or announcements by the Head of the Unit or Club and his officers are then followed by: Social Functions — the highest ranking officer is introduced first and he will introduce members of his Divan and any of his guests; Regular meetings — the liaison officer is introduced first and he will bring the temple information and introduce the other members of the Divan. When the Potentate is introduced and he has completed his introduction and/or his message to you, that then concludes your meeting except for the entertainment you have planned afterwards. The Potentate is always the last to talk and no one should be introduced to speak after his remarks. When the Potentate is introduced, the Nobles present should stand. We should show this respect for the Office of Potentate. This pertains to Shrine Meetings as well as Club or Unit Meetings.

Early Departure of Potentate and Divan

The Potentate or Divan may leave before the party is over. Remember that they may have traveled some distance to reach your party and after having enjoyed the festivities, have again quite a distance to travel. You must understand too, that the Potentate and Divan find they must be out almost every night, attending Shrine or Masonic activities, besides taking care of their jobs or daily business. The Potentate or Divan members will make their formal goodbyes to the President or person in charge and then leave your party without interrupting the festivities of the people remaining.

TEMPLE-SHRINE CENTER-DIVAN

For your further information, the Temple is the body of the membership, and the Shrine Center is the building where the Temple meets. References to the Temple are therefore references to THE MEMBERSHIP. References to the Shrine Center are references to the BUILDING. The officers of the "Temple" are designated as the divan. The word is pronounced "Duhvan" not "Divan." The Divan consists of the first seven (7) officers from the Potentate through the Recorder who are elected each year at the Annual meeting, which is held the first Tuesday of December. The other members are appointed by the Illustrious Potentate and are referred to as the Appointed Divan.

RED FEZ

The Imperial Council has adopted the FEZ as the exclusive type of

head covering to be worn by all Nobles of the Mystic Shrine when appearing as such. This means all Nobles must wear their Fezzes at stated meetings, ceremonials, Shrine parades, caravans, special Shrine events and other Shrine-related activities. The Fez is never worn at a Masonic lodge communication or meeting. At non-Shrine functions where a temple officer is representing a Shrine temple, he may wear his Fez. However, other Shriners in attendance are not to wear their Fezzes. The Fez shall NOT be worn in any place you would decline to introduce your wife, mother, sister or daughter. NEVER FORGET THIS! Remember also that part of your obligation reminds us that when we place the Fez of a Shriner upon our heads, we are symbolically tying the LAMBSKIN APRON of a MASTER MASON AROUND OUR WAISTS. The Fez is not a display case or bulletin board. The Imperial Chaplain, Potentates, Divan members, Past Potentates and Grand Masters may have their titles embroidered in small letters in gold or silver bullion, silk or rhinestone jewels on one line beneath the emblem of the Fez. Active members of official uniformed units or official clubs of a Temple may likewise have the names of their units or clubs on one line beneath the emblem of the Fez. The Fez shall be worn in its proper shape without crushing, creasing or alteration and no device, ornament, title, wording or adornment other than allowed by Article 13 of the bylaws of the International Shrine shall be permitted. No more than two pins or clasps, without additional embellishments may be used to secure the tassel in place. **(No other pins shall be worn on the Fez.)**

Shrine Pins

A Shrine pin should be worn on the left lapel of a suit coat or jacket. Every Noble is encouraged to wear his Shrine pin when so attired. It proudly identifies him as a Shriner to other Nobles, to Freemasons and to the general public. A Shrine pin may be worn at non-Shrine events as well as Shrine events.

Salaam

A Noble addressing the potentate while he is presiding in the East should always give the salaam. The potentate gives the sign of the Order in return and does not salaam. The salaam is given by the leader of a uniformed unit that is performing for the potentate and the potentate gives the sign of the Order in return. No other unit member salaams.

Salutations

An Imperial Officer and all Past Imperial Officers are always addressed "Imperial Sir." A Potentate or Past Potentate is always addressed "Illustrious Sir." The prex "past" should not be used when addressing a past temple potentate. Members of the elective divan of a temple are addressed by the title of their office or "Noble."

MILITARY SALUTE

Pledge of Allegiance National Anthem: The military salute is used when reciting the Shrine Pledge of allegiance and during the playing of the national anthem of any "state" represented by Shriners International. Colors: A Noble who is wearing his fez will execute a right hand salute when the Colors are within six paces of him. He will not remove his fez. After the Colors have passed, he should drop his right hand. A Noble who is not wearing his fez places his right hand over his heart instead of the right hand salute. Auditorium: In an auditorium, he should hold the salute until the colors are posted after the pledge of allegiance and/or playing of the national anthems.

SHRINE PLEDGE OF ALLEGIANCE

"I pledge of allegiance to my ag and to the country for which it stands; one Nation under God, indivisible, with liberty and justice for all" At Memorial or Burial Services, Nobles should remove their fez upon entering the church edifice, undertaking establishments or memorial site (as well as graveside) and remain uncovered until they return to the street.

PARADE RULES & REGULATIONS

No unit may participate in a parade as a Shrine unit without first obtaining permission from the Potentate of Za-Ga-Zig Temple. When a Shrine unit is in a public parade and there is only one Shrine unit participating, your position in the line of parade is irrelevant. If there is more than one Shrine unit in a public parade, then their position in the lineup of the parade MUST BE TOGETHER. They cannot be separated.

PRAYER

The prayer shall be non-denominational in content. A noble wearing a Fez shall remove it and hold it over his heart in an upright position with the name of the temple showing.

Noble Paul Freeman was Honored at the Spring Ceremonial on April 29th.

A "Bang of a Time" Was Had at The Potentate's Trap Shoot

By Paul Freeman

22 in all, 18 "marksmen" attended the Potentate's Trap Shoot on Saturday June 10th. Shriner's, Masons and their families lined up at a chance to break 50 clay birds. The event was sponsored by the Za-Ga-Zig Sportsman's Unit.

There were no cash prizes or gifts for 1st or second place, but we did provide a raffle. 1st prize was a cooler with 5 bottles provided by the Sportsman's Unit members. 2nd place was a Bass Pro Shops hat provided by Dean Schoppe and 3rd place was a bullet key chain and bottle opener provided by Charles Clayton.

Shooters were not placed anywhere based on experience or skill level. The purpose of this event was to provide an outdoor event and have a good time, get fraternal members and their families together and promote our philanthropy. Where have we heard that before? FUN-FAMILY-FRATERNITY.

The host for the event was the Marshall Gun Club located in Marshalltown. The facility is managed by Zach and Hal Huseboe. These men were extremely welcoming and accommodating to our event. The facility is clean, well maintained and it had everything we needed. We are so appreciative of these two and their assistants for allowing us the use of their club.

Logan Kelley was AMAZING in helping us pull this together. He suggested this location, considering he and his family have shot there before and were familiar with the facility and owners. Todd Kelley jumped right in and helped get shooters grouped together and assisted from start to finish. Todd and Tim Kelley (Kelley Technical Solutions) provided the pork butt for lunch, perfectly smoked by our Temple Chef John Roach. Lori Rickabaugh made up pans of homemade coleslaw, potato salad and deviled eggs. Baked beans rounded out the lunch.

To everyone who loaned their support, a heartfelt thank you. Because without your help, this event could not have been possible or successful.

Zach and Hal made it a point to let us know we were welcomed back any time. This event was so successful, it was immediately decided to do this again in the fall. The date set is October 7th, 1 week before the Potentate's Pheasant Hunt at Bensink Farms in Pleasantville. So, for those who missed out, make plans not to miss the next one.

Due to unfortunate weather, the Chanters/Legion of Honor performance at the I-Cubs on May 31st, was postponed.

It was still a chance for a few members of different units to take in a matinee game. One noble even caught a foul ball and gave it to a nearby kid.
